*Return of the Hustle* Eric Sheinkop, 2016-03-11 Has a commercial ever brought you to tears Has a movie ever inspired you so much you change your way of life Has the series finale of a television show ever broken your heart Has a video game ever altered your perception of reality If you're like most consumers you answered yes to at least one of those questions Whether you remember it or not the music of that ad film show or game probably played a big role in influencing your emotional response during that experience In fact music is included in media specifically for the purpose of connecting with audiences on a deeper level that visuals alone cannot access A strong music strategy is fundamental to the success of television film brands and video games Because of higher expectations for audiovisual content it will take more than clever animation or a celebrity cameo to connect with consumers in an authentic organic way By providing audiences with a genuine music experience whether with an exclusive song through an artist partnership or by featuring new music from an emerging band you can build a bond that extends far beyond product experience Music touches us emotionally in a way that words seldom do We feel it we remember it In *Return of The Hustle* a leading music and marketing industry insider discusses the diverse audio touchpoints for four key industries and shows how marketers storytellers and advertisers can use music to effectively guide audiences along the customer journey from passive consumers to brand advocates *Return of The Hustle* provides readers with a blueprint for music strategy that professionals at any level in any industry can use to attract consumers immerse them into the content and extend relationships between them and the brand long after the commercial ends or the credits roll With detailed case studies exhaustive interviews and thorough research *Return of the Hustle* gives readers the playbook to use the marketing power of music to drive business results *Social Convergence in Times of Spatial Distancing: The Role of Music During the COVID-19 Pandemic* Niels Chr. Hansen, Melanie Wald-Fuhrmann, Jane Whitfield Davidson, 2022-07-19 *Proceedings of the 7th International Conference on Economic Management and Green Development* Xiaolong Li, Chunhui Yuan, John Kent, 2024-02-26 Economics has always been a heated research topic and green development is rising and integrating with various fields for interdisciplinary studies Initiated in 2017 the International Conference on Economic Management and Green Development ICEMGD is an annual conference aiming at bringing together researchers from the fields of economics business management public administration and green development for the sharing of research methods and theoretical breakthroughs The 7th International Conference on Economic Management and Green Development ICEMGD 2023 was held on August 6 2023 It was a hybrid conference including several on site workshops and an online session The workshops were held in London Gala i Birmingham Sydney and Beijing The proceedings consist of papers accepted by ICEMGD 2023 which are carefully selected and reviewed by professional reviewers from corresponding research fields and the editing committee of the conference The papers have a diverse range of topics situated at the intersecting fields of economic management public administration and green development ICEMGD is working to provide a
