Idiot Engineering Alfred Boediman, Ridi Ferdiana, 2020-12-17 We all especially software engineers are on a journey of enhancing Artificial Intelligence

AI Some of us have even dedicated our lives to it Every part of the journey is astonishing including the challenges we encounter Our struggles sometimes lead to ineffective outcomes and because of this some people consider what we are doing or what we have done boring or even idiotic Nevertheless this journey would not be fulfilling without all the highs and lows Whether or not we agree with it AI is here and here to stay What we need to do is embrace Artificial Intelligence and we need to enjoy the journey But how do we enjoy it This book will help us do that by explaining the definition of AI the potentials and the risks of AI how to work on AI how to utilize AI and how to increase AI literacy through education

The De Gruyter Handbook of Automated Futures Vaike Fors, Martin Berg, Meike Brodersen, 2024-09-23 How does automation affect us our environment and our imaginations What actions should we take in response to automation Beyond grand narratives and technology driven visions of the future what more can automation offer With these questions in mind The De Gruyter Handbook of Automated Futures provides a framework for thinking about and implementing automation differently It consolidates automated futures as an inter and transdisciplinary research field embedding the imaginaries interactions and impacts of automation technology within their social historical societal cultural and political contexts Promoting a critical yet constructive and engaging agenda the handbook invites readers to collaborate with rather than resist automation agendas It does so by pushing the agenda for social science humanities and design beyond merely assessing and evaluating existing technologies Instead the handbook demonstrates how the humanities and social sciences are essential to the design and governance of sustainable sociotechnical systems Methodologically the handbook is underpinned by a pedagogical approach to staging co learning and co creation of automated futures with rather than simply for people In this way the handbook encourages readers to explore new and alternative modes of research fostering a deeper engagement with the evolving landscape of automation

Knowledge Management in the Sharing Economy Elena-Mădălina Vătămănescu, Florina Magdalena Pînzaru, 2017-11-14 This volume explores the challenge of engaging knowledge management in a sharing economy In a hyper competitive business environment everything tends to be digital virtual and highly networked which raises the issue of how knowledge management can support the decision whether or not to share strategic resources or capabilities The book answers questions such as to what extent does the sharing economy preserve or compromise the competitive advantage of organizations And what are the knowledge management strategies for competitive yet cautious sharing dynamics

Iron Age, 1906

Darkening Song Delphine Seddon, 2026-03-10 For fans of DAISY JONES AND THE SIX EUPHORIA and LUCKIEST GIRL ALIVE DARKENING SONG is a fiercely feminist debut about two young women one a recording artist failed by the industry which made her an idol and the other her ambitious manager forced to make an impossible choice between

friendship and power TO BE ADAPTED INTO A MAJOR TELEVISION SERIES Eva is just 18 years old and interning at a record label when she discovers 16 year old Alora online Never has she heard a voice like Alora s and when it s clear there isn t anyone at the label interested in hearing this phenomenal talent Eva takes matters into her own hands On a whim Eva offers Alora representation as her manager without knowing the first thing about artist management or what s about to happen to both of them And it turns out Eva was right Alora is swiftly catapulted into the spotlight of major superstardom and as the two navigate the whirling vortex of fame the parties the money the paparazzi and power they form a deep bond becoming found family for one another But when Alora s dark and mysterious past begins to infiltrate her present and Eva s ambition and success blind her to the obvious signs that her client and most importantly her friend is in trouble their lives unravel with disastrous consequences DARKENING SONG is a story about friendship and betrayal It s a love story and a story about growing up in an industry which sometimes disregards the needs of young girls and women in favor of self interest But more than anything it s a story about redemption and the ways that hopes and dreams can come true in ways we least expect
