with their consumers and potential consumers and create important relationships through video integration Live video marketing therefore offers the opportunity to do just that It is easy to build authority commitment and authenticity and for most it is affordable and has a proven record of effectiveness It s therefore very justifiable to all marketers why live Video Marketing should be an important part of your marketing plan The question is whether it should be part of your next campaign Live Video marketing isn t going anywhere anytime soon Live streaming is a natural extension of the live video marketing and will remain an online marketing niche for the foreseeable future It opens up a new world of interactivity and you should take advantage of it As live streaming becomes more popular it is not as expensive as older l video marketing method All you need for a live video stream is a solid and stable internet connection a good camera and HD quality recordings Another advantage of live video streaming that you will feel like you re in the room with the customer For example you can show them a demo version of your latest product and in parallel engage with customer on real time interactively Or sometime you can show them the office and introduce them to your employees in real time With the help of social media platforms like Instagram and facebook companies lift the curtain to show what they are made of to their customers and live streaming makes it easy to do so When used correctly live streaming can help create community In fact platforms like Periscope allow people to comment simultaneously with the livestream so that your audience can interact with each other This can help to forge a community When people connect in this way it will improve the user experience Consider adding live videos to your marketing plan It is quickly becoming one of the best strategies to implement and with this guidebook Cashing In With The Power Of Social Live Video Marketing Workbook Journal This workbook will provide a clear guidance through a Social Live Video marketing action plan with well formatted layout for social media engagement on various platforms for daily weekly and monthly work monitor workflow tracking and measuring on progress and so much more It includes over 65 worksheets to help you get your action plan in order and keep everything within your checklist progress to a total Social Live Video Marketing program

Impact of Influencer Marketing on Young Women's Customer Experience on Cosmetic Products Jule Prescher,2023-06-06 Bachelor Thesis from the year 2023 in the subject Communications Multimedia Internet New Technologies grade 1 3 University of applied sciences Cologne language English abstract This thesis aims to realize how influencer marketing performs and its impact on the Cx Therefore the research addresses the following questions How powerful are influencers these days What is different about influencer marketing and why is it a successful strategy How do people perceive information shared by influencers and which factors are decisive for potential customers to purchase products advertised by influencers What impact does an influencer have on the overall Cx The internet has been fully integrated into people s daily lives worldwide over the past years The percentage of the world s population with access to the internet has doubled from 32% in 2011 to 63% in 2021 90% of people from developed countries access the internet in 2021 At the same time the number of social network users is increasing These networks have the

purpose of connecting with friends In 2022 5 billion people have access to the internet worldwide and 4.7 billion people use social media. SM. Ultimately 93% of those with internet access own at least one SM account that is more than half the population worldwide. Through time companies found new marketing strategies which reached active people on SM. These platforms are necessary to reach Generation Z people born in the late 1990s. They are different and cannot be reached in the same way as they watch Netflix instead of TV or listen to Spotify instead of the radio for example. Influencer marketing became a 10 billion industry in 2020. Influencers share their lives on SM networks. Due to their high reach they receive offers from companies for cooperation. Influencers' followers admire and trust their recommendations due to their personal and authentic representation. While advertising products influencers show how to use them where to buy them and give their opinion. For higher sales influencers often receive promo codes for a discount or free products for each order.
