In order to simplify the process, many companies in the American V-twin aftermarket are selling kits. Three of these companies, Custom Chrome, Arlen Ness, and Biker1's Choice, have excellent programs. All offer very complete kits that allow the builder to assemble a complete motorcycle without any additional purchases. All that's missing is labor and paint. The book will document with detailed photos and copy the assembly from beginning to end of three motorcycles from the firms mentioned.
