Venmo How To:

How to Annoy your Ex! Daniel W Thomson,2026-02-07 This book aims to provide a humorous and creative outlet for individuals navigating the often complex and emotionally charged aftermath of a breakup It addresses the common yet often unexpressed desire for lighthearted retribution or a sense of playful control after a relationship ends By offering a collection of amusing and harmless pranks the book seeks to transform potential lingering negative emotions into laughter and amusement fostering a sense of closure and well being for the reader through cathartic comedic action The core issue this book addresses is the emotional residue that can remain after a breakup specifically the feelings of frustration lingering attachment or a desire for a final albeit humorous interaction It aims to bring about a shift in perspective encouraging readers to approach these feelings with levity and creativity rather than dwelling on negativity The book champions the idea that a good laugh and perhaps a cleverly executed harmless prank can be a more effective and enjoyable way to move on than prolonged sadness or anger
