**PROFITS THAT LIE HIDDEN IN WORDPRESS** Hello! As you're probably aware by now, you really can't succeed online unless you have good web presence for your products and/or services. But it can be time-consuming, overwhelming, and even expensive to learn HTML coding, etc., or pay people to put up websites for you. Thankfully, there is Wordpress. It's the standard blogging and website creation platform for even top brands and successful online entrepreneurs. Anybody who knows what they're doing can put up the most high-tech, smartest websites with all the automated bells and whistles made in one sitting. Yes, that's now possible. Even complete beginners can simply mix and match themes and plugins to come up with professional-looking and functional websites. The site visitors wouldn't even know you're a complete beginner if you do it correctly. Wordpress can be as simple and uncomplicated as you want it to be. All you need to know are the basics. And that's what this book/course is about. This book is entirely written for the absolute beginner. Nothing on this book will overwhelm and scare you away. You can even use this book as a guide for your newbie assistants. Just follow along the step-by-step process, and within an hour or two, you can have your very own website up and running. As your needs become more sophisticated, you can then learn HTML and CSS coding, install premium themes and plugins, capture emails, get likes, autopost content, etc., to suit your needs. The learnings and experience you get from this book will also help you in the future as your needs become more complex. Specifically, the book will cover the following:
