Yakshi:

RETURN OF THE YAKSHI Ajit Mani, 2019-09-22 Return of the Yakshi is a story of friendship idealism love and a brief but violent revolution that was followed by the passing of land reform legislation in Kerala It explores the psyche of Urban Naxals who get involved in dangerous activities labelled as seditious at the risk of their lives Although the story is complete fiction it has a historical setting where the author has taken creative liberties with incidents characters dates and sequence of events With the prospect of the declaration of Emergency in 1975 the protagonist Suresh is forced to leave Kerala and travel to Pamban Island located between India and Sri Lanka living in exile till 1977 The story suggests a scenario involving a highly probable nexus between the Naxals of Kerala the LTTE in Sri Lanka and the ivory smuggler Veerappan The story highlights the helplessness of the tribals of Kerala against the might of the State that appropriated their forests while the LTTE used asymmetrical warfare and suicide bombers to fight for their homeland
