The Existential Perspective 2 The Situational Perspective 3 The Normative Perspective Some Applications [Apologetics to the Glory of God](#) John M. Frame, 1994 Frame sheds needed light on the message and method of genuinely Christian apologetics Giving special attention to application of the truth he insightfully examines apologetics as proof defense and offense Frame clarifies the relationships of reason proofs and evidences to faith biblical authority and the lordship of Christ He offers a fresh look at probability arguments and gives special attention to the problem of evil **The Doctrine of the Word of God** John M. Frame, 2010 John Frame's A Theology of Lordship series has been greeted with acclaim The Doctrine of God receiving an ECPA Gold Medallion Award This fourth and final volume in the series discusses God's word in modern theology and how God's word comes to us as his controlling power meaningful authority and personal presence Dr Frame says that God's speech to man is real like one person speaking to another God speaks so that we can understand him and respond appropriately Appropriate responses are of many kinds belief obedience affection repentance laughter pain sadness and so on God's speech is often propositional God's conveying information to us But it is far more than that It includes all the features functions beauty and richness of language that we see in human communication and more So the concept I wish to defend is broader than the propositional revelation that we argued so ardently forty years ago though propositional revelation is part of it My thesis is that God's word in all its qualities and aspects is a personal communication from him to us Book jacket **Nature's Case for God** John M. Frame, 2018-12-12 Can we know anything about God apart from the Bible Many Protestant Christians are suspicious of natural theology which claims that we can learn about God through revelation outside the Bible How can we know anything about God apart from Scripture In Nature's Case for God distinguished theologian John Frame argues that Christians are not forbidden from seeking to learn about God from his creation In fact the Bible itself shows this to be possible In nine short and lucid chapters that include questions for discussion Frame shows us what we can learn about God and how we relate to him from the world outside the Bible If the heavens really do declare the glory of God as the psalmist claims it makes a huge difference for how we understand God and how we introduce him to those who don't yet know Christ **Foundations of Christian Faith** Steve Kitchens, 2025-05-08 Foundations of Christian Faith is a systematic theology and discipleship book for believers who want to study the Bible and grow in their knowledge and love of Jesus Christ Divided into four sections God and Man Christ and Salvation The Holy Spirit and the Church and Last Things and Eternity this book will guide you through the foundational pillars of Christianity and the biblical essentials of saving faith which include creation sin Christ the gospel salvation the Holy Spirit the church and the return of Christ The author considers questions such as How does God's Word have the power to transform lives What are we expected to do as disciples of Jesus Christ Why is the Holy Trinity so foundational to understanding the Bible How can we be sure we truly know God's will Why is it important for Christians to attend and be part of the church Written with fifty two chapters for the

Theology in Three Dimensions John M. Frame, 2017 Because God created all things with coherent unity everything can be understood from the perspective of everything else We experience the world in the context of our own bodies but every day we broaden our understanding through the perspectives of others Meanwhile our omniscient God is also omniperspectival Through his revelation he allows us a glimpse of his own divine perspective What does this mean for us One valuable dimension of this reality is that theological issues can also be helpfully viewed from multiple perspectives without compromising their unity and truth In this accessible introduction to his Bible study and theological method John Frame teaches us to approach doctrine with situational normative and existential perspectives modeled on the Trinity

We Are All Philosophers John M. Frame, 2019-08-28 Everyone is a philosopher and how we live reveals what we most deeply believe If you and God were asked the same question would you both respond in the same way Are Christians right to believe what we do In *We Are All Philosophers* John M Frame takes seven major questions of philosophy and compares the Bible's answers with common philosophical ones What is everything made of Do I have free will Can I know the world Does God exist How shall I live What are my rights How can I be saved *We Are All Philosophers* carries all the marks of John Frame's books he appeals to Scripture frequently and carefully He writes elegantly and simply a byproduct of having mastered the complicated philosophical topics he surveys

Justification and the Kingdom of God, Volume One Paul ChulHong Kang, 2025-01-17 The *Justification and Kingdom of God* series seeks to answer the question How can justified Christians in Jesus bear the fruit of faith reflecting growth in God's image To address this the series helps readers understand what happens to the image bearers of God in Adam or in Jesus Christ This reveals the deeper meaning of the gospel and the restoration of God's image uncovering hidden treasures Now the challenge is whether you will accept these treasures The *Kingdom of the Covenant* emphasizes the eternal kingdom of the living God through the lens of God's righteousness This encourages readers to remember God's righteousness which runs through his covenants serves as the legal standard of governance the standard of salvation and the standard of a good life Just as God's righteousness is the foundation of his word for his kingdom God's word

is the standard for wisdom knowledge judgment and actions Through his word God opens the gates of heaven and connects the present reality of lives with the eternal nature of his kingdom Now lives of faith on this earth carry eternal consequences This book asks What would you do with this gift God s word *Themelios, Volume 39, Issue 1* D. Barcellos,2020-10-12 Trinity and Creation explores Scripture and the Reformed confession on the doctrine of creation as they relate to the triune God When considering an act of God it is important to understand the agent of the act in order to account properly for the act of the agent Any faithful account of divine creation must ground its argument first in the God who creates This method of treating the doctrine of creation is displayed in this book It will become clear to readers that understanding the nature of God is essential in order to account for what God does It will also become clear that this is not a novel method of accounting for creation This book argues that not prioritizing theology proper in our accounting for creation is a recipe for theological novelty and if unchecked heresy Trinity and Creation is offered to account for creatures given who God is to display that its argument is firmly rooted in the Christian theological tradition to address the views of some who it will be argued apply a faulty method when accounting for creatures and to enhance readers knowledge and worship of our triune God Father Son and Holy Spirit

The Doctrine of the Knowledge of God John M. Frame,1987 Frame explores our relationship with God as a knowing relationship He writes We tend to forget how often in Scripture God performs His mighty acts so that men will know that He is Lord He thus examines our knowledge of God as it relates to our knowledge of ourselves and of the world in which we live Reflecting his conviction that theology is the application of Scripture to life in all situations Frame combines trenchant

analysis of theological apologetical and epistemological issues with refreshingly practical insights for living in the knowledge of God Publisher's description **The Doctrine of the Christian Life** John M. Frame, 2008 The third volume of Frame's Theology of Lordship series this book focuses on biblical ethics In an age of ethical relativism and suspicion of authority how can we know what is good virtuous or just Frame surveys non Christian ethical traditions before setting forth a solidly Christian ethical method By clarifying biblical norms life situations and personal dimensions he presents a model for decision making that honors God in all aspects of life Discussions range from natural law and conflict of duties to detailed explorations of the Ten Commandments in connection with questions surrounding worship the Sabbath church and state respect for life and truth sexuality and the relation of Christ to culture
