Critical Essays on Harold Pinter Steven H. Gale,1990 Betrayals Gabriella Turnaturi,2007 From Iago to Fredo Judas to General Hospital acts of betrayal fascinate us Eventually we all encounter this universal experience of human interaction but despite its ubiquity being betrayed can turn our lives upside down and leave us feeling suddenly frail and alone Betrayal only arises out of sharing something of yourself with another and its impact speaks to the great tragedy of human relations at bottom other people are unknowable While most attempts to study betrayal only consider its moral or psychological dimensions Gabriella Turnaturi here examines betrayal as an act embedded in social relationships whose meanings change over time For example adultery is one of the most recognizable forms of betrayal but a wide gulf exists between its role in Madame Bovary and in The Ice Storm Therefore Turnaturi contends in order to examine the many meanings of betrayal we need to understand its context in a specific time and place Born from the unpredictable possibilities of human interaction betrayal emerges as a sociological event in this thought provoking meditation on the stab in the back International Film Guide ,1984 **New York Magazine** ,1983-02-21 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea New York Magazine ,1983-02-21 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Theater Criticisms Stanley Kauffmann,1983 **The Virgin Encyclopedia of the Movies** Derek Winnert,1995 An illustrated work covering every aspect of the movie industry It contains information on
