The Heart Kate Stewart,2016-05-10 Jack For the last ten years I ve roamed the globe captivated by the world around me I ve seen the seven wonders and admired sunsets from every continent I d lived and loved and that was enough for me It would have to be I was content satisfied with my collection of experiences until a phone call led me down a road less traveled

If I'd known my fascination would pique and be forever quenched only a few hundred miles from where my curiosity had been born I may have never set sail. Rose Stripped of the future I'd planned with the love of my life, my family, and my career were now all that mattered. I'd lived and loved and that was enough. It would have to be. I struggled to move forward to discard the part of me that held out hope for my obliterated heart. But I was bred a romantic so it was easier said than done. The chances of being struck by lightning are 1 in 960,000. The odds of being struck twice are 1 in 9 million. I risked those odds every minute, often cursing the dark sky, praying for static and a rumble of thunder, but it never came. No, that second bolt hit me on a clear day.

The Reluctant Romantics Reading Order: 1 The Fall, 2 The Mind, 3 The Heart. All books in the series must be read in order. Companion Books to The Reluctant Romantics: Room 212, Prequel to The Reluctant Series, Never Me. Cameo crossover appearances of Never Me characters in Book 3 The Heart.

Loving the White Liar Kate Stewart, 2015-07-20. I met my true love when I was twenty-seven. He was handsome, charming, witty, and irresistible. Jayden Monroe came along when I was struggling with indecision and made things simple, turned monochrome into vivid color, and forever altered my perspective on life. I was not naive enough to believe in happily ever after, but with Jayden it seemed possible until I realized something wasn't quite right. You see, I met a man who would be anyone I needed him to be, and after I found out that fact, I knew it would be impossible to walk away. His disorder, however, would change everything. I ever thought about love and what it truly meant to accept someone for who they are. This is not my sob story; this is his success story.
