The Big 50: Chicago Bears Adam L. Jahns, 2020-10-06 Longtime sportswriter Adam L. Jahns explores the living history of the team counting down from number fifty to number one This dynamic and comprehensive book brings to life the iconic franchise s remarkable story including greats like Ditka Payton Urlacher and more **Cinderella's Slipper** Mike Nemeth, 2009-09 The Bowl Champion Series BCS is under fire from fans the media college coaches Congress and even our new President They worry that the two best teams in the country aren t consistently selected by the polls and the BCS computers to play for the National Championship At stake is prestige a place in history recruiting advantages and boatloads of cash The solution proposed most often is a playoff system to give more schools a shot at a title However the problem of team selection won t go away with a playoff system it will be exacerbated The lack of a credible ranking system is the Achilles heel of the current BCS system Cinderella s Slipper reveals why the polls get it wrong why the BCS computers can t be expected to get it right why traditional statistics aren t useful for ranking teams and why won lost records are misleading Cinderella s Slipper introduces the performance metrics necessary for team ranking and explains the rating system that can accurately rank teams with similar records When combined with NCAA sponsorship and an accurate ranking system a playoff scheme will produce deserving champions and will restore public confidence in the college football National Championship process *Microaggression Theory* Gina C. Torino, David P. Rivera, Christina M. Capodilupo, Kevin L. Nadal, Derald Wing Sue, 2018-09-25 Get to know the sociopolitical context behind microaggressions Microaggressions are brief everyday exchanges that send denigrating messages to certain individuals because of their group membership e g race gender culture religion social class sexual orientation etc These daily common manifestations of aggression leave many people feeling vulnerable targeted angry and afraid How has this become such a pervasive part of our social and political rhetoric and what is the psychology behind it In *Microaggression Theory* the original research team that created the microaggressions taxonomy Gina Torino David Rivera Christina Capodilupo Kevin Nadal and Derald Wing Sue address these issues head on in a fascinating work that explores the newest findings of microaggressions in their sociopolitical context It delves into how the often invisible nature of this phenomenon prevents perpetrators from realizing and confronting their own complicity in creating psychological dilemmas for marginalized groups and discusses how prejudice privilege safe spaces and cultural appropriation have become themes in our contentious social and political discourse Details the psychological effects of microaggressions in separate chapters covering clinical impact trauma related stress syndromes and the effect on perpetrators Examines how microaggressions affect education employment health care and the media Explores how social policies and practices can minimize the occurrence and impact of microaggressions in a range of environments Investigates how microaggressions relate to larger social movements If you come across the topic of microaggressions in your day to day life you can keep the conversation going in a productive manner with research to back it up [Japanese Industry in the](#)
