Low Carb Recipes World Series Review:

Cinderella - A Retelling with Strength and Courage Lisa Shea, 69 pages Cinderella made a vow to her mother before her mother tragically passed away on midwinter's day Ella swore to watch over her father and care for him But then her father married anew Her stepmother and two stepsisters took sharp delight in causing Ella grief from morn to eve They bullied her called her Cinderella and treated her as little more than a slave in her own home It took all of Ella's courage to swallow the insults and to honor her word Now the crown prince has returned home from the battlefield a ball is announced to celebrate his arrival All eligible young women from the entire kingdom are invited to attend Ella has but one desire left She wishes to see the king's gardens one last time before she leaves home It will be a final way to commemorate her beloved mother before counting her vow's terms as complete She has no idea what awaits her on that arched stone bridge Cinderella

A Retelling with Strength and Courage is Book 1 of a gently cliff hangered short story series The series honors the original intention of the Grimm Fairy Tales to present women of strength and courage tackling challenges which seem insurmountable With each new book a new heroine is interwoven into the story The series sequence leads through five books up to a happily ever after ending The series is clean romance and is suitable for teens and up Readers have the option to read each tale one by one or to get the complete set which contains all five tales As fairy tales are so integral to so many young lives it was critical for me to do my very best to present each heroine in a way which honored her strength and showcased her ability to stand on her own It took me over five years to craft this series I feel strongly that no woman should ever sit around waiting for a man to rescue them Women should not endure abusive behavior in the hopes that a man will change or magically become a prince Be the change you wish to see in the world I have a library of over 450 books running the gamut from medieval romance to cozy mystery from mythology to fairy tale to Biblical retellings I support battered women's shelters Feel free to contact me with any questions

Aquarian Awakenings - A Collective Saga Sci-Fi Romance Lisa Shea, 2014-08-05 A Clean Romance Showcasing a Love which Endures a Thousand Years Nicole Bessam had finally found him After long fruitless years of searching after countless missteps and mistakes she had at last reunited with the man she had pledged her heart to He was right there in front of her But he didn't remember her face Commander Jon Paxton was transfixed by the woman before him He'd had relationships in the past certainly women who eased his loneliness But none had ever called to him the way Nicole did None had ever fit into his life as neatly as a key fits into its lock And there seemed to be so much more beneath the surface but he just couldn't reach it Nicole had to move as carefully as a cat negotiating a thin ledge high above a desolate abyss One reckless step one shift in the wrong direction and the love they had treasured for a thousand years could be forever lost *Aquarian Awakenings* is the first of four novellas in the *Collective Saga* series They can be read singly or as a boxed set They contain no explicit violence nor intimacy As such they are suitable for teens and up I support battered women's shelters

One Scottish Lass - A Regency Time Travel Romance Lisa Shea, Samhain All

Hallows Eve The most mystical night of the year The time when the veil between the worlds became perilously thin And with a full moon overhead this awesome power reaches its climactic height Sorcha had no time for mystical nonsense there were enough challenges in navigating the mine field of her mother s vicious temper and the most important event of her young life For at long last she had left Edinburgh to see the world She and her mother were visiting the elegant city of Bath Sorcha was wearing the finest dress she d seen and she was stepping into a life she d only dreamt of But when Johnny s eyes meet hers and jealous rivals vow revenge that delicate layer between what is and what once was rips It shreds like the fragile thread of one s life One Scottish Lass is the first novella in the regency time travel romance trilogy It is 116 pages 18 000 words The second novella in the series is A Time Apart The first two novellas end in cliffhangers while the third provides a happy ending The series then will continue in another trilogy those will be coming out over the coming weeks These stories are teen friendly with no explicit language violence or intimacy All proceeds benefit battered women s shelters Note that for those who prefer reading books in all in one form each trio of novellas will also be compiled as a completed box set once all three are done It just means you have to be patient and wait for me to finish writing all of them For those who prefer to read along as I write and offer suggestions for me to shape the plot these novellas are here for your enjoyment Either way I d love to hear your feedback on the storyline and characters *Lumber World Review* ,1920 **Editor & Publisher** ,2005
