Latest information available on neurologic and cardiac emergencies From the reviews of the seventh edition Collectively they
have once again produced an excellent text that manages to cover the broad scope of emergency medicine while remaining
an easily readable and practical resource Last for the inevitable comparison of this current edition of Tintinalli s Emergency
Medicine with other available emergency medicine textbooks available in my opinion Tintinalli s still comes out on top It is
more concise and easier to read than some yet it covers the breadth of emergency medicine practice more comprehensively
than others Just as previous editions did the seventh presents all of the most pertinent and up to date information in a well
organized format that is comprehensive yet easy to read That and many of the attractive new features in this current edition
will ensure its place on my bookshelf for years to come JAMA **A Year of Health Hints** Don R. Powell,1997 Será por
