The Bathroom Key Kathryn Kassai, Kim Perelli, 2011-12-20 Urinary incontinence is an underdiagnosed and underreported condition with major economic and psychosocial effects on society. Women are more likely to experience it due to issues with the pelvic floor brought on by pregnancy and menopause. **The Bathroom Key** is a treatment plan for women to cure their own incontinence issues. It also allows women to identify with other women through the anecdotal stories that echo their feelings of isolation and embarrassment. Written in easy to understand language, the book is a genuine teaching tool guiding the reader to a better understanding of her body and effective remedies. Whereas in recent years some mention of the Kegel muscles and exercises have become common knowledge, this book is much more than just Kegels. By incorporating key elements of the physical therapy approach in this book, the reader will be encouraged to self-assess, modify behaviors, retrain her bladder, alter dietary habits, and practice a variety of exercises to self-treat and cure her incontinence. In most cases, urinary incontinence is completely treatable with physical therapy. Women can regain bladder control, not have to take medications, throw away pads, and regain their dignity. **The Bathroom Key** is written in a friend-to-friend style that reveals the secrecy around urinary incontinence through real-life stories of women dealing with the embarrassing and life-altering symptoms. Advocates for PT as something that can radically help the problem. Lists a variety of behavioral and practical exercises and allow people to self-treat at home and also tells them when they need to see a physical therapist. **Billboard**

Ground Zero Conrad Riker, 101-01-01 When the System Erases You, Will You Crumble or Claim Kingship? What if losing everything wasn't the end, but the raw material for forging an unbreakable identity? Can betrayal, poverty, and isolation become weapons to rebuild a life of purpose and power? Why do weak men beg for fairness while strong men create new kingdoms from chaos? Convert systemic betrayal into a tactical war plan for dominance. Replace victimhood with Spartan discipline, sleep, nutrition, cold resolve. Erase F O M O by mastering the chaos calculus of stoic reinvention. Weaponize grief to fuel financial resurrection, live lean, conquer abundance.
