

The Little Prince

By Antoine de Saint-Exupéry

Once upon a time, There was once a Little Prince who lived by himself on a small asteroid called B-612. He believed that he should take care of his planet. So he always cleaned his three volcanoes and cut the baobab trees' roots that secretly grew underground and could split the planet into pieces. One day, a seed mysteriously blossomed and turned into a flower.
"You're so beautiful!" he said.

"I'm going to water you and protect you with this glass globe at night!"

The Little Prince decided to call her Rose. He loved her very much and Rose loved her Little Prince. They were together all the time but because Rose was constantly demanding for the Little Prince's attention, he started to doubt her feelings for him. The Little Prince decided it was time for him to make new friends. So, he went on a trip around the Universe leaving the Rose behind. On the first planet, The Little Prince found a woman, very well-dressed. The vain woman said to the Little Prince, "Oh, Now I have someone to admire me!"

The woman dressed in all sorts of clothes and expected the Little Prince always to tell her how good she looked. But, after some time, the Little Prince thought, "Friendship should not be based only on compliments!"

On the next planet, the Little Prince found an old man with lots of books around him. "What are all those books about?" The Little Prince asked. "I'm a geographer!" said the old man. "So, I will write about the rivers, the mountains, and the deserts. Tell me about your planet so I can write about it!"

The Little Prince continued his journey and on the next planet, he found a man, very well-dressed. The vain man said to the Little Prince, "Oh, Now I have someone to admire me!" The man dressed in all sorts of clothes and expected the Little Prince always to tell him how good he looked. But, after some time, the Little Prince thought, "Friendship should not be based only on compliments!" So, he left.

On the next planet, the Little Prince found an old man with lots of books around him. "What are all those books about?" The Little Prince asked. "I'm a geographer!" said the old man. "So, I will write about the rivers, the mountains, and the deserts. Tell me about your planet so I can write about it!"
