Scaling Fast Swizec Teller, 2025-12-01 What happens when your startup hits the hockey stick Customers are flooding in deadlines are relentless and your engineering team is drowning in technical debt Scaling isn't optional it's survival In Scaling Fast Software Engineering Through the Hockeystick veteran startup engineer Swizec Teller shares hard won lessons from leading teams through hypergrowth From women's health startups scaling to nine figure Series B rounds to biotech platforms going from zero to eight figure revenue in just three years this is a practical guide to thriving when demand explodes You'll learn how to Scale the business without losing product market fit Grow teams with trust delegation and high output culture Balance speed quality and technical debt Use feature flags small a agile and continuous delivery to keep shipping Know when to let small fires burn and when to fix them fast Architect your code to increase velocity and reduce bugs Drawing on real startup war stories this book shows what works and what doesn't when your company is growing faster than your systems can handle If you liked Accelerate The Phoenix Project Team Topologies or The Lean Startup Scaling Fast is your engineer's playbook for surviving and thriving in hypergrowth Whether you're an engineer on your first rocket ship a tech lead managing rapid growth or a founder scaling without breaking everything this book will help you navigate chaos build resilient systems and keep moving forward Early praise for Scaling Fast Scaling Fast is a superb introduction to Software Engineering It covers the soft skills necessary to execute on a high functioning team as well as coding skills necessary to ship well designed features I can't recommend it strongly enough Adam Rackis Software Engineer Author Congrats on PMF Now don't blow it Swizec is a grizzled veteran of the surreal PMF terrain where opportunity and danger lurk He's created the field guide that shows you how to keep your head keep your customers and turn traction into lasting strength Kyle Mathews Founder of Gatsby and ElectricSQL The year is 2025 and somehow Swizec Teller wrote a tech book without a single YAML deployment snippet or AI hype cycle diagram Instead Scaling Fast brings us something far more valuable a practical honest and often funny guide to what actually makes fast growing software companies succeed people teams and a bit of architectural sanity Bas Steins Engineering Leader Book Review 1 One of the most important skillsets in a career in tech startups is scaling yourself through hypergrowth there is no greater wealth engine in Silicon Valley when you get it right and there is no other skillset more underestimated by developers who rather fixate on pure code This is the first book I've seen focused on helping you scale the business scale the team and scale the tech in your next startup from someone who's now done it twice Shawn Swyx Wang founder of Latent Space Book Review 2 When your projects find their market and it's time to scale a few orders of magnitude this is the book for you Kitze founder of Zero To Shipped Book Review 3 As a recent IC turned engineering manager at a fast growing company I've found this book invaluable Since reading it I've ruthlessly cut back on the amount of parallel work streams and soloist developers and focused I've on having everyone work as a team We're getting more done and I have more confidence in handing off more authority and autonomy to the team Glen

Stovall author of Product Thinking for Engineers Book Review 4 Congrats on PMF Now don't blow it Swizec is a grizzled veteran of the surreal PMF terrain where opportunity and danger lurk He's created the field guide that shows you how to keep your head keep your customers and turn traction into lasting strength Kyle Mathews founder of Gatsby and ElectricSQL Book Review 5 The year is 2025 and somehow Swizec Teller wrote a tech book without a single YAML deployment snippet or AI hype cycle diagram Instead Scaling Fast brings us something far more valuable a practical honest and often funny guide to what actually makes fast growing software companies succeed people teams and a bit of architectural sanity As someone who's seen growth from both the just ship it trenches and the why are we rewriting this again meeting rooms I can say this book hits close to home Swizec doesn't waste time on silver bullets He gives you actionable advice for the messy middle how to keep teams productive as headcounts double how to build tech that doesn't collapse under its own cleverness and how to stay focused on real business outcomes while your startup hurtles through hockey stick growth It's part therapy part playbook and fully worth your time Bas Steins host of Conversations with people in tech *Information Governance* Robert F. Smallwood, 2019-11-26 The essential guide to effective IG strategy and practice Information Governance is a highly practical and deeply informative handbook for the implementation of effective Information Governance IG procedures and strategies A critical facet of any mid to large sized company this super discipline has expanded to cover the management and output of information across the entire organization from email social media and cloud computing to electronic records and documents the IG umbrella now covers nearly every aspect of your business As more and more everyday business is conducted electronically the need for robust internal management and compliance grows accordingly This book offers big picture guidance on effective IG with particular emphasis on document and records management best practices Step by step strategy development guidance is backed by expert insight and crucial advice from a leading authority in the field This new second edition has been updated to align with the latest practices and regulations providing an up to date understanding of critical IG concepts and practices Explore the many controls and strategies under the IG umbrella Understand why a dedicated IG function is needed in today's organizations Adopt accepted best practices that manage risk in the use of electronic documents and data Learn how IG and IT technologies are used to control monitor and enforce information access and security policy IG strategy must cover legal demands and external regulatory requirements as well as internal governance objectives integrating such a broad spectrum of demands into workable policy requires a deep understanding of key concepts and technologies as well as a clear familiarity with the most current iterations of various requirements Information Governance distills the best of IG into a primer for effective action
