Remote Jobs Reading Comprehension Compare:

Teaching Chinese, Japanese, and Korean Heritage Language Students Kimi Kondo-Brown, James Dean Brown, 2017-09-25
This book contributes to building the research knowledge that language teaching professionals need in developing curriculum for the large population of East Asian heritage students including Chinese Japanese and Korean in countries like the United States Canada and Australia where speakers of East Asian languages are among the fastest growing populations Heritage learners are defined as those who initially acquired certain levels of linguistic and cultural competence in a non dominant language mainly through interaction with foreign born parents and other family members at home Heritage language instruction is currently a hot topic and is becoming a sub discipline within the fields of foreign language education and applied linguistics Special instruction for heritage language learners is on the rise particularly in the U S and Canada Providing theoretical and practical information about heritage language instruction in terms of curriculum design learner needs materials development and assessment procedures the goal of this book is not only to promote research about heritage students in East Asian languages but also to improve the teaching of these students in various educational settings and all over the world especially in English speaking countries The volume is organized in four sections Overview addressing the timeliness necessity and applications of the work and issues and future agendas for teaching Chinese Japanese and Korean heritage students Language Needs Analysis Attitude Motivation Identity and Instructional Preference and Curriculum Design Materials Development and Assessment Procedures Teaching Chinese Japanese and Korean Heritage Language Students is intended as a primary text or reference for researchers educators and students in the areas of curriculum pedagogy and assessment studies related to teaching bilingual and heritage students in general and East Asian heritage students in particular

Assessing Second Language Reading Karim Sadeghi, 2021-08-25 This book investigates the issue of cloze validity as a measure of second language reading comprehension It starts off by making a distinction between general reading ability and the more specific reading comprehension followed by a thorough review of the related research on L2 reading comprehension and sorting out the confusion in the literature in this categorization A comprehensive account of cloze procedure is presented discussing its origin different versions its use for teaching and testing purposes as well the latest research on cloze as measures of readability language proficiency and second language reading The book includes studies conducted at several stages on validating cloze as a measure of reading and interview and questionnaire techniques are applied to investigate the validity of eight cloze tests criterion reading tests and other cloze and reading tests in general Two new cloze tests i e reader centered cloze test and phrase cloze test are also introduced and researched as measures of reading ability The book concludes with suggestions for developing tests that can better measure reading comprehension in light of recent research insights on the complex and dynamic nature of reading This book will appeal to researchers lecturers and graduate and post graduate students taking a course in Second Language Acquisition Applied Linguistics TESOL
