**Rural STEM Education Research: Bridging between Uniqueness and Universality** Guan Saw, Angela Starrett, Audrey Meador, Hobart Harmon, 2026-01-23 The opposition between uniqueness and universality in rural science technology engineering mathematics and medicine STEM education research is an enduring feature of the field Theories and methods developed to be universally applicable are constantly adopted or reimaged in studying and understanding certain unique STEM education phenomena or issues within and across rural contexts partly due to the vastness and variety that exists in what is labeled as rural and or STEM education Research ideas and findings focused on a unique rural population or setting often can have universal implications for other rural and non rural populations or settings though not explicitly articulated in many publications Striving to be both unique and universal is a fundamental challenge yet has the potential to advance knowledge and practice in the field of rural STEM education The overall goal of this Research Topic is to introduce and explore the ideas of rural focused and rural reimaged approaches in potentially bridging the gaps between uniqueness and universality in STEM education research Rural focused theories and constructs e g place based education rural identity are centered around populations and issues in rural settings whereas rural reimaged theories and constructs e g urban rural spatial inequality social capital expectancy value beliefs are traditional theories and constructs that are reconceptualized to include rural perspectives in the studies This Research Topic seeks articles that examine both the uniqueness and universality of rural STEM education and educational research utilizing rural focused and or rural reimaged lens or approaches We particularly welcome articles that address unique assets challenges needs opportunities and or lessons learned of rural STEM education while being situated in a broader research discipline as well as articles that explore the commonalities and connections across study cases policies programs practices or contexts of rural STEM education This Research Topic invites theoretical methodological and empirical contributions addressing but not limiting to the following key topics Rural focused topics Defining rurality in STEM education Defining STEM in rural areas Place based STEM teaching learning etc Rural STEM identity belonging etc STEM education in rural serving postsecondary institutions STEM education for local workforce development Rural reimaged topics Urban rural spatial inequality in rural STEM education Community cultural wealth in rural STEM education STEM funds of knowledge of rural learners Underrepresentation of rural students in STEM education Intersectionality in rural STEM education Critical policy analysis in rural STEM education Communities of practice in rural STEM education Research practice partnerships for rural STEM education Articles need to define rurality for interpretation by international readers and describe the uniqueness and universality of the research topics theories methods findings and or implications in the context of rural STEM education

**Physical Education Curriculum Activities Kit for Grades K-6** Keg Wheeler, Otto H. Spilker, 1991 More than 500 fitness dance sports activities that develop K 6 children s health motor skills while fostering cooperation with others a positive self image

**Success with STEM** Sue Howarth, Linda Scott, 2014-11-13 Success with

STEM is an essential resource packed with advice and ideas to support and enthuse all those involved in the planning and delivery of STEM in the secondary school. It offers guidance on current issues and priority areas to help you make informed judgements about your own practice and argue for further support for your subject in school. It explains current initiatives to enhance STEM teaching and offers a wide range of practical activities to support exciting teaching and learning in and beyond the classroom. Illustrated with examples of successful projects in real schools, this friendly, inspiring book explores innovative teaching ideas to make lessons buzz. Activities for successful practical work. Sourcing additional funding. Finding and making the most of the best resources. STEM outside the classroom. Setting up and enhancing your own STEM club. Getting involved in STEM competitions, fairs and festivals. Promoting STEM careers and tackling stereotypes. Health, safety and legal issues. Examples of international projects. An wide ranging list of project and activity titles. Enriched by the authors' extensive experience and work with schools. Success with STEM is a rich compendium for all those who want to develop outstanding lessons and infuse a life long interest in STEM learning in their students. The advice and guidance will be invaluable for all teachers, subject leaders, trainee teachers and NQTs.

**IoT, AI, and ICT for Educational Applications** Stamatiou Papadakis, 2024-01-18. This book provides insight into the importance of advanced innovative technologies such as the Internet of Things (IoT), artificial intelligence (AI), and Metaverse as part of information and communication technology (ICT) solutions in education. Key features of this book include the recent and emerging developments in various specializations in education and finding their solutions by incorporating IoT, AI, and ICT. This book presents useful applications, interventions, and case studies that cater to their improved requirements. Topics include formal and services based on IoT, AI technology for IoT based educational delivery, interfacing devices to IoT smart educational services, ChatGPT, Smartbots, and more. The authors include several practical solutions and applications of IoT and ICT in education. The book applies to researchers, academics, students, educators, and practitioners around the world.

**Primary Reading Skills Activities Kit** Elizabeth A. McAllister, 1987. **Share the Universe** Richard Stember, 2024-04-01. As every astronomer knows, astronomy is one of the most approachable and inspiring of the natural sciences. It appeals to both children and adults while drawing in curious minds with its immense distances and unimaginably powerful natural phenomena. In this book, you will find out how to be a part of the journey in sharing scientific knowledge and inspiring minds of all ages. By using the affordable tools and techniques provided in this book, you will learn about how astronomers can easily engage people with views of our solar system's planets, moons, and even more distant objects like nebulae, stellar nurseries, and remnants of exploded stars. Perhaps most importantly, the natural appeal of this science is helpful when explaining to non-scientists how science works. What is science and scientific methodology? How is it used to give mankind knowledge and solutions to problems that we face in many scientific fields, including medicine? How does it differ from other sources of information? This book, sprinkled with the author's 24 plus years of personal experience in public outreach, offers practical techniques to engage, educate, and inspire all who are

interested in the field of astronomy

**Serving Teens and Adults on the Autism Spectrum** Carrie Rogers, 2020-10-01  
 Understand the unique needs of teens and adults with autism and how to adapt existing library programs to be more inclusive Autism spectrum disorder is a lifelong condition but programs and services are mostly for children As this population ages and the number of adults receiving autism diagnoses grows are public libraries serving this group **Serving Teens and Adults on the Autism Spectrum** offers practical strategies for delivering better service to individuals with autism from library programming to technology collections library volunteers and the information desk Relying on feedback and help from the autism community in her area Carrie Rogers Whitehead created programs for children teens and young adults on the autism spectrum In this book she shares advice on developing programs that focus on teamwork transitions and social skills She explains best practices for reference interviews and teaches readers how their libraries can partner with nonprofit and government entities to develop workforce skills and connect adults with autism to jobs Ready made program activities for teens and adults with autism make it easy for libraries to better serve this often misunderstood group

**Multicultural Art Activities Kit** Dwila Bloom, 1994 A complete multicultural art activities program to introduce grades 5 12 to the art styles and customs of more than 35 cultures around the world this spiral bound book helps young adults develop respect for all people Nearly 200 drawings photos and color prints are included from Africa the Middle East Asia Europe the United States and Canada and Latin America

Cultivating Connected Learning Megan E. Barrett, Rebecca J. Ranallo, 2018-06-01 If you want to boost your library s relevancy and support youth learning consider incorporating connected learning at your library This book helps you to realize the potential of this exciting and dynamic trend Learning doesn t just happen in the classroom it happens everywhere The connected learning model supports this principle asserting that young people learn best when their experiences are interest driven peer supported and rooted in solid academics Libraries are the perfect environment for this type of learning providing a place where teens can connect with each other and with adult mentors to engage with learning material and thrive This book shows you how to cultivate connected learning in your library You ll discover what the approach involves its benefits and what it can look like in various library settings You ll also learn how to generate support for connecting learning within your library reimagine your spaces and programs to better support connected learning integrate technology into programs and services to make it accessible to youth build partnerships with other libraries as well as other organizations recruit volunteers and raise community awareness to increase involvement
