Tax Bracket Fall Boots Top:

Boot and Shoe Recorder ,1906 **Fair Not Flat** Edward J. McCaffery,2008-09-15 Everyone knows that the current tax system is unfair Some of the richest people in America pay no tax while a huge share of the tax burden falls on the rest of us A mere glance at the tax code confirms that it is far too complex with volumes of rules that no ordinary person could possibly comprehend What is to be done Some conservatives have called for a so called flat tax But a flat tax is not necessarily a simple tax and flat means more for most taxpayers a rise in middle class taxes to finance tax cuts for the rich Is there another choice In clear easy to understand language Edward J McCaffery proposes a straightforward and fair alternative A fair not flat tax that is consistent and progressive would tax spending not income and savings And if it were collected at its lower levels through a national sales tax most people would not have to file a return A supplemental tax on spending for the wealthiest individuals would make the national sales tax progressive Under McCaffery s system a family of four would pay no tax on their first 20 000 in spending and 15 percent on the next 60 000 Only the few families who spend more than 80 000 a year would be subject to the supplemental tax Necessities would be taxed less than ordinary and luxury items No one would be taxed directly on savings The estate and gift or so called death tax would be abolished for the simple reason that dead people don t spend The fair not flat tax would fall on heirs when and as they spend their good fortune Perhaps best of all most Americans would not have to fill out tax returns Simpler more efficient fairer and more reflective of America s current social values McCaffery s fair not flat tax could help get us out of the tax mess that politicians and special interests have gotten us into improving the whole country in the process Read Fair Not Flat to find out how In Fair Not Flat Mr McCaffery lays out the case for a consumption tax He does so in a reader friendly way presenting his argument with very few footnotes equations or technical terms The consumption of the book so to speak is not at all taxing And its argument is well worth pondering Bruce Bartlett Wall Street Journal **Boot and Shoe Recorder** ,1960 **Shoe and Leather Reporter** ,1929

Boot Your Broker! Laura M. Gold,Dan Post,1997 Urges people with extra money to invest it in stocks on the Internet through the E TRADE service Using a football game as an analogy also explains the basics of smart investing The CD ROM contains a demonstration of E TRADE access software and financial data and tools No bibliography Annotation copyrighted by Book News Inc Portland OR **The Farmer** ,1925 *Hide and Leather with Shoe Factory* ,1915 *Managing the Public Sector* Grover Starling,1986 **Wallace's Farm and Dairy** ,1929 *Dun's Review* ,1914 **Dun & Bradstreet Monthly Review** ,1919 Official Reports of the Debates of the House of Commons of the Dominion of Canada Canada. Parliament. House of Commons,1920 *American Shoemaking* ,1929 *Congressional Record* United States.
