International Commercial Arbitration Simon Greenberg, Christopher Kee, J. Romesh Weeramantry, 2011-01-17 There has been an exponential rise in the use of ICA for resolving international business disputes yet international arbitration is a scarcely regulated specialty industry International Commercial Arbitration An Asia Pacific Perspective is the first book to explain ICA topic by topic with an Asia Pacific focus Written for students and practising lawyers alike this authoritative book covers the principles of ICA thoroughly and comparatively For each issue it utilises academic writings from Asia Europe and elsewhere and draws on examples of legislation arbitration procedural rules and case law from the major Asian jurisdictions Each principle is explained with a simple statement before proceeding to more technical theoretical or comparative content Real world scenarios are employed to demonstrate actual application to practice International Commercial Arbitration is an invaluable resource that provides unique insight into real arbitral practice specific to the Asia Pacific region within a global context The UNIDROIT Principles for International Commercial Contracts, 1995 Global Sales and Contract Law

Ingeborg Schwenzer, Pascal Hachem, Christopher Kee, 2012-01-26 Although the 1980 United Nations Convention on Contracts for the International Sale of Goods CISG is one of the most successful international conventions to date it remains the case that those involved in the international sale of goods must refer to a multitude of laws Indeed the CISG itself does not cover all issues relating to international sales contracts so it must necessarily be supplemented by domestic law Global Sales and Contract Law provides a truly comparative analysis of domestic laws in over sixty countries so as to deliver a global view of domestic and international sales law The book reports on the real practice of sales law taking into account present day problems Complex questions on the obligations under a sales contract the ways in which these are established as well as the remedies following the breach of obligations are all discussed By addressing regional uniform projects like OHADA and comparing differences in domestic legal approach where the CISG would not apply the work goes beyond existing commentaries which tend to focus only on the CISG The analysis has been based on an unprecedented survey drawn from the world's top fifty companies as well as international traders lawyers advising international traders arbitral institutions arbitrators and law schools This work encompasses all aspects of a sale of goods transaction and takes a wide view of sale by including general contract law The book gives practitioners invaluable insight into judicial trends and possible solutions in different legal systems whether preparing for litigation or drafting an international contract Global Sales and Contract Law is

the most comprehensive and thorough compilation of legal analysis in the field of the sale of goods and is a reliable source for any practitioner dealing in international commerce *Theory and Practice of International Commerce* Archibald John Wolfe, 1919 I The theory of international commerce II Problems of modern American export practice I, Preventing Delay and Disruption of Arbitration ; II, Effective Proceedings in Construction Cases A.
