**Cohabitation Nation** Sharon Sassler, Amanda Miller, 2017-08-15 We have fun and we enjoy each other's company so why shouldn't we just move in together Lauren from Cohabitation Nation Living together is a typical romantic rite of passage in the United States today In fact census data shows a 37 percent increase in couples who choose to commit to and live with one another forgoing marriage And yet we know very little about this new normal in romantic life When do people decide to move in together why do they do so and what happens to them over time Drawing on in depth interviews Sharon Sassler and Amanda Jayne Miller provide an inside view of how cohabiting relationships play out before and after couples move in together using couples stories to explore the he said she said of romantic dynamics Delving into hot button issues such as housework birth control finances and expectations for the future Sassler and Miller deliver surprising insights about the impact of class and education on how relationships unfold Showcasing the words thoughts and conflicts of the couples themselves Cohabitation Nation offers a riveting and sometimes counterintuitive look at the way we live now

**The Unfinished Nation** Alan Brinkley, 1997 *Economic Justice, Labor and Community Practice* Louise Simmons, Scott Harding, 2013-09-13 Facing economic upheaval and growing inequality people in local communities are fighting for economic justice Coalitions from labor grassroots community organizations the faith community immigrant communities and other progressive forces are emerging across the U S and Canada and winning better jobs benefits from local development and better working conditions A multi disciplinary group of scholars and activists provide background and analysis of these struggles and offer insights into successful community practice From the vantage points of community organizing labor studies political science urban studies social policy and active practitioners this volume presents both background on the problem of economic and social inequality and portrays cases of how community practice is being redefined how unions are pursuing their goals via labor community coalitions and the issues confronted as these new and vital alliances form Community practitioners from social work urban planning active union members and leaders labor educators and those in the partnerships they have formed all will find useful insights from these analyses This book was published as a special issue of the Journal of Community Practice

[Black Male Collegians: Increasing Access, Retention, and Persistence in Higher Education](#) Robert T. Palmer, J. Luke Wood, T. Elon Dancy, Terrell L. Strayhorn, 2014-06-24 Improving college access and success among Black males has garnered tremendous attention Many social scientists have noted that Black men account for only 4.3% of the total enrollment at 4 year postsecondary institutions in the United States the same percentage now as in 1976 Furthermore two thirds of Black men who start college never finish The lack of progress among Black men in higher education has caused researchers practitioners and policymakers to become increasingly focused on ways to increase their access and success Offering recommendations and strategies to help advance success among Black males this monograph provides a comprehensive synthesis and analysis of factors that promote the access retention and persistence of Black men at

diverse institutional types e.g. historically Black colleges and universities predominantly White institutions and community colleges. It delineates institutional policies, programs, practices, and other factors that encourage the success of Black men in postsecondary education. This is the 3rd issue of the 40th volume of the Jossey-Bass series ASHE Higher Education Report. Each monograph is the definitive analysis of a tough higher education issue based on thorough research of pertinent literature and institutional experiences. Topics are identified by a national survey. Noted practitioners and scholars are then commissioned to write the reports with experts providing critical reviews of each manuscript before publication.

**Our Social World** Jeanne H. Ballantine, Keith A. Roberts, Kathleen Odell Korgen, 2018-11-29. *Our Social World: Introduction to Sociology* inspires students to develop their sociological imaginations to see the world and personal events from a new perspective and to confront sociological issues on a day-to-day basis. Organized around the Social World model, a conceptual framework that demonstrates the relationships among individuals, the micro-level organizations, institutions, and subcultures, the meso-level, and societies and global structures, the macro-level, Jeanne H. Ballantine, Keith A. Roberts, and Kathleen Odell Korgen use this framework to help students develop the practice of using three levels of analysis and to view sociology as an integrated whole rather than a set of discrete subjects. The Seventh Edition includes new coverage of climate change, the influence of robots and artificial intelligence on workers, race relations in the Trump era, issues related to transgender identity and gender fluidity, sexual harassment in the workplace, and the MeToo movement, declining marriage rates, the impact of tracking for students at all academic achievement levels, smoking as an example of health and inequality in the US, gun violence, and the student movement to control access to guns, social media, and Russian interference in the 2016 election.

*America: A Concise History, Combined Volume* James A. Henretta, Rebecca Edwards, Robert O. Self, 2012-02-15. With fresh interpretations from two new authors, wholly reconceived themes, and a wealth of cutting-edge scholarship, the Fifth Edition of *America: A Concise History* is designed to work perfectly with the way you teach the survey today. Building on the book's hallmark strengths—balance, explanatory power, and a brief yet comprehensive narrative, as well as its outstanding full-color visuals and built-in primary sources—authors James Henretta, Rebecca Edwards, and Robert Self have shaped *America* into the ideal brief book for the modern survey course at a value that can't be beat. Read the preface.

*New Troubles for the West* Joshua W. Busby, 2004.

*Celebrating India @ 75* David Arnold Kharchandy, Kerli'hok Lyngdoh Buam, 2021.

*An Loc* Văn Nhựt Trần, 2009. The author, an officer in the military service of the Republic of Vietnam from the late 1950s, participated in pivotal events including the North Vietnamese attack on the province capital of An Loc, April–May 1970. He discusses Vietnam's leadership, U.S. advisors, and South Vietnam's relationships with the United States. Provided by publisher.

**The Middle East, Abstracts and Index**, 2004.

**Timor-Leste** William Binchy, 2009. Timor-Leste has had a troubled history and faces an uncertain future. Having experienced colonization for centuries, followed by the Indonesian occupation with all its abuses of human rights, Timor-Leste

emerged as an independent state based on the rule of law and on respect for human rights The last few years have shown that no society is simple and that the complex influences of the past continue to shape political social and cultural realities This book examines the contemporary challenges for justice and human rights in the shadow of the past It approaches the task from a broad interdisciplinary perspective conscious of the need to integrate insights not only of scholars immersed in human rights international criminal justice and customary law but of others whose backgrounds are in international relations history anthropology demography sociology geography and ecology Host: Weekly Guide to New York ,1942 **Arts & Humanities Citation Index** ,1980 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world s leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals Unfinished Nation Alan Brinkley,1997-01-01 The Unfinished Nation V.
