[You Don't Have to Drive an Uber in Retirement](#) Marc Lichtenfeld,2018-02-08 Named the 2019 Investment and Retirement Planning Book of the Year by the Institute for Financial Literacy It s never too late to start planning for retirement You Don t Have to Drive an Uber in Retirement is a survival guide for your golden years and a lifeline for those entering the Retirement Crisis unprepared Roughly 45 percent of Americans have zero dollars saved for retirement but the average retiree will spend 154 000 in out of pocket health care costs alone We need to figure out how to generate more income even in retirement and spend less How do we boost our retirement income Is investing the way to go How much do we need anyway This book does more than just answer the important questions it gives you real world tips to help you reach your financial goals Yes it is possible to increase your income in or as you approach retirement These guidelines will help you optimize your assets and put away more money for the years you ll need it most Planning for retirement does not mean

holding off on fun today there are many ways the average American can reduce everyday costs of living without living like a pauper This book will help you take stock of what you have and what you ll need and show you how to bridge the gap Maximize your savings while minimizing the lifestyle impact Unique ways for generating a meaningful amount of income that don t require you to get a job Learn just how much you ll need for a comfortable retirement Adopt new everyday strategies that will help you bolster your funds Add new income streams optimize your portfolio and learn to spend less without living less these are the key factors in making your golden years truly golden You Don t Have to Drive an Uber in Retirement is an important resource and insightful guide for those hoping to one day leave the workforce in comfort Making Great Strategy Glenn R. Carroll,Jesper B. Sørensen,2021-01-26 Making strategy requires undertaking major often irreversible decisions aimed at long term success in an uncertain future All leaders must formulate a clear course of action yet many lack confidence in their ability to think systematically about their strategy They struggle to apply the abstract lessons offered by conventional approaches to strategic analysis to their unique contexts Making Great Strategy resolves these challenges with a straightforward readily applicable framework Jesper B S rensen and Glenn R Carroll show that one factor underlies all sustainably successful strategies a logically coherent argument that connects resources capabilities and environmental conditions to desired outcomes They introduce a system for formulating and managing strategy through a set of three core activities visualization formalization and logic and constructive argumentation These activities can be implemented in any organization and are illustrated through examples and case studies from well known companies such as Apple Walmart and The Economist This book shows that while great strategic thinking is hard it is not a mystery Widely applicable and relevant for managers and leaders at all levels especially executive teams charged with setting the course of their organizations it is essential reading for anyone faced with practical problems of strategic management Pricing Of Products & Services Tridib Mazumbar,2020-12-15 The price of a product or a service is a critical element of the marketing mix Price influences product demand and the firm s revenue and profits Prices also signal product quality and value customer self image and the seller s pricing practices With appropriate balance of theory applications and analytics this book provides business students and practitioners the tools to make profitable pricing decisions under a variety of real life contexts current and emerging Theoretical foundations for pricing decisions come from microeconomics psychology and behavioral decision theories Well established economic principles with available data and analytics help firms customize prices based on customers willingness to pay quantity purchased timing and urgency of purchase and by bundling their products and services Pricing and promotional strategies of firms are further informed by the consideration of consumer psychology as well as the decision rules that consumers employ in framing of and responding to prices As a practical step by step guide for firms the book presents a comprehensive framework for pricing decisions The framework illustrates how firms pricing decisions are shaped by customer valuation of the product or service firm cost and competition within the category Additional considerations

include channel arrangements legal and regulatory limits public sentiments and the overriding strategy for the firm Short cases and numerical examples help illustrate how these factors can be incorporated in firm making decisions In addition to offering the theoretical foundation and practical guidelines for pricing there are several distinctive features of the book Pedagogically the book takes a quantitative approach to pricing decisions and places a special emphasis on the utilization of data and analytics Nevertheless sound intuition and judgments remain a prerequisite
