Why Archbishop Benson Idahosa Died Mike A. Ohiorenoya,1999 Christianity, Wealth, and Spiritual Power in Ghana Karen Lauterbach,2016-11-25 This book centers around mid level charismatic pastors in Ghana Karen Lauterbach analyzes pastorship as a pathway to becoming small big men and achieving status wealth and power in the country The volume investigates both the social processes of becoming a pastor and the spiritual dimensions of how power and wealth are conceptualized achieved and legitimized in the particular context of Asante in Ghana Lauterbach integrates her analysis of charismatic Christianity with a historically informed examination of social mobility how people in subordinate positions seek to join up with power She explores how the ideas and experiences surrounding the achievement of wealth and performance of power are shaped and re shaped In this way the book historicizes current expressions of charismatic Christianity in Ghana while also bringing the role of religion and belief to bear on our understanding of wealth and power as they function more broadly in African societies The Pastor'S Son Paul Ilo,2012-02-24 Paul tells his personal story as a Pastors son and those of several Pastorschildren However this book is not only for Pastors Children It is for anyone and everyone who desires to learn un learn re learn earn and stand tall in the challenging race of life Paul is a dynamic and charismatic man He brings with him a strong presence and a lot of energy He teaches and he learns The children of pastors don t always turn out as we might expect Often they rebel against their parents Paul is one of those who didn t rebel He has many interesting stories to tell in this book Dr Jonathan Joseph School of Politics and International Relations University of Kent Canterbury UK **Holy People of the World** Phyllis G. in Nigerian Pentecostalism by exploring the drama that played out in the wake of the nomination of the first woman Pentecostal archbishop in Nigeria and the subsequent attempt to erase her from a significant leadership position and the pages of history This case underscores how Pentecostalism which presents as egalitarian engages in and perpetuates gender disparity revealing the realities that are crashed every day This book further explores the profound ambiguities that result from an underlying commitment to patriarchy making the calls to inclusivity illogical In contrast she proposes the advantages of the Pentecost Experience as favorable background to gender inclusivity and in turn human flourishing The Holy Spirit, Women, and Mission Julie C. Ma,2026-02-19 This book examines how Pentecostal and charismatic women develop as leaders how they actively engage in ministry and mission and how the Holy Spirit enables them to carry out God s work more effectively Although the leadership and missional abilities of women are not adequately accepted and acknowledged in the churches many Pentecostal charismatic communities have recognized and embraced them And as the scope of women s ministry has broadened from local contexts to a global one it has greatly influenced both the church and its missions Despite still struggling for equal recognition of their service in the gospel nothing and no one is able to stop the essential work of Spirit led women in Christian leadership and ministry The Future of Television and Video Industry Yasser Ismail,2024-06-12 This Edited Volume is a collection of reviewed and relevant research chapters offering a comprehensive overview of recent developments in the field of digital industry technologies and the future landscape of television The book comprises single chapters authored by various researchers and edited by an expert active in the pioneering advancements in digital technologies particularly in the future landscape of television machine learning VLSI FPGA systems cloud computing cybersecurity video processing algorithms and architectures IoT and wireless communication research area All chapters are complete in themselves but united under a common research study topic This publication aims to provide a thorough overview of the latest research efforts by international authors on digital industry technologies and opens new potentials for further developments **Nigerian Legal Methods** C.
