Well Played Vi Keeland, Penelope Ward, 2021-10-25 From New York Times Bestselling authors Vi Keeland and Penelope Ward comes a new sexy standalone novel It all started with a bet When my young son inherited half of his great grandfather s historic inn I decided to move us both to the place where I grew up Notice I said half of the Inn The other half now belonged to Levi Miller the famous quarterback who had other ideas about what we should do with the property We won t mention that I accidentally injured him during our first meeting causing him to get eight stitches You could say we got off on the wrong foot We bickered a lot as we both moved into the property while we figured things out He wanted to unload the rundown place which admittedly needed a lot of work I wanted to restore The Palm Inn to its original beauty and re open it as a bed and breakfast We couldn t agree on anything So Levi made me a proposal One he thought I would surely lose If I could sell out the place by the time he had to leave for training at the end of summer he would back off and let me run it But in the weeks that followed we got more than we bargained for while we were living under the same roof Levi and I got closer and before I knew it my nightly fantasies about the brawny Adonis became a reality Not to mention he was so great with my son We were in over our heads in more ways than one Because not only was he the last man on Earth I should be falling for because of our deal but Levi was also my ex s older brother And now the inn was the least of my problems

The Invitation Vi Keeland, 2024-05-09 The Hating Game meets One Plus One by JoJo Moyes in The Invitation a slow burn heated emotional standalone from 1 New York Times bestseller Vi Keeland The first time I met Hudson Rothschild was at a wedding I d received an unexpected invitation to one of the swankiest venues in the city Hudson was a groomsman and quite possibly the most gorgeous man I d ever laid eyes on He asked me to dance and our chemistry was off the charts I knew it wasn t a good idea to get involved with him considering the wedding I was at But our connection was intense and I was having a great time Though the fun came to a screeching halt when Hudson figured out I

wasn't who I'd said I was. You see that unexpected invitation I received. Well, it hadn't actually been addressed to me; it was sent to my ex-roommate who'd bounced a check for two months' rent and moved out in the middle of the night. I figured she owed me an expensive night out, but I guess technically I was crashing the wedding. Once caught, I couldn't get out of there fast enough. As I bolted for the door, I might've plucked a few bottles of expensive champagne off the tables I passed, all while the gorgeous, angry groomsman was hot on my tail. Outside, I jumped into a taxi. My heart ricocheted against my ribs as we drove down the block, but at least I'd escaped unscathed. Or so I thought. Until I realized I'd left my cell phone behind at the table. Take one guess who found it. This is the crazy story of how Hudson Rothschild and I met. But trust me, it's only the tip of the iceberg. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Sex, Not Love Vi Keeland, 2018-01-15. From #1 New York Times Bestseller. Vi Keeland comes a new sexy standalone novel. My relationship with Hunter Delucia started backwards. We met at a wedding, him sitting on the groom's side, me sitting on the bride's. Stealing glances at each other throughout the night, there was no denying an intense mutual attraction. I caught the bouquet, he caught the garter. Hunter held me tightly while we danced, and suggested we explore the chemistry sparking between us. His blunt, dirty mouth should've turned me off. But for some crazy reason, it had the opposite effect on me. We ended up back in my hotel room. The next morning, I headed home to New York, leaving him behind in California with the wrong number. I thought about him often, but after my last relationship, I'd sworn off of charming, cocky, gorgeous-as-sin men. A year later, Hunter and I met again at the birth of our friend's baby. Our attraction hadn't dulled one bit. After a whirlwind trip, he demanded a real phone number this time. So I left him with my mother's, she could scare away any man with her talks of babies and marriage, and flew back home. I'd thought it was funny until the following week when he rang the bell at Mom's house for Sunday night dinner. The crazy, gorgeous man had won over my mother and taken an eight-week assignment in my city. He proposed we spend that time screwing each other out of our systems. Eight weeks of mind-blowing sex with no strings attached. What did I have to lose? Nothing, I thought. It's just sex, not love. But you know what they say about the best laid plans.

You see, I'd gone away for a few days, and in my haste to get out of the airport, I'd grabbed the wrong suitcase. After checking out the expensive footwear and tailored clothes, I dialed the number on the luggage tag, hoping maybe Mister Big Spender might have my bag. A deep, velvety voice answered, and as luck would have it, he had my suitcase too. Donovan and I met at a coffee shop to do the exchange. Turned out it wasn't just his voice that was sexy. The man holding my luggage was absolutely gorgeous, and we had an immediate spark. He got me to admit that I'd snooped in his bag, and then convinced me to make it up to him by letting him buy me coffee. Coffee led to dinner, dinner led to dessert, and dessert led to spending an entire weekend together. Donovan wasn't just handsome with a panty-dropping voice.
