Aspiring and Inspiring Rebecca Garcia,Pamela E. Harris,Dandrielle Lewis,Shanise Walker,2023-07-26 Aspiring and Inspiring is a collection of essays from successful women and gender minority mathematicians on what it takes to build a career in mathematics The individual essays are intended to advise encourage and inspire mathematicians throughout different stages of their careers Themes emerge as these prominent individuals describe how they managed to persist and rise to positions of leadership in a field which can still be forbidding to many We read repeatedly that individual mentorship matters that networks of support can be critical and that finding fulfillment can mean formulating one s own definition of success Those who aspire to leadership in the field will find much useful advice here The cumulative power of the collection carries a strong impact The glass ceiling is very real in mathematics and is the result of cultural and sociological factors at work in our community The book makes clear that we won t achieve equality of opportunity merely by exhorting those who are often excluded to change their behaviors and their goals The need for systemic cultural change is vividly at times painfully evident in these stories As Dr Erica Graham says in her powerful and moving essay we need a different kind of academy and we ll only get it by working for it We can start by reading this book and recognizing the kind of academy we currently have

The Yale Alumni Weekly ,1921 *The Spectator* ,1910 **Emerging Practices in Scholarship of Learning and Teaching in a Digital Era** Siu Cheung Kong,Tak Lam Wong,Min Yang,Cheuk Fai Chow,Ka Ho Tse,2017-02-22 In this book we put forward a holistic conceptual framework for implementing Scholarship of Learning and Teaching SoLT in higher education Unlike previous SoLT studies which usually focus on a specific aspect here various aspects are integrated into a holistic framework Further it identifies three main stakeholders namely the higher education institution teaching staff and students These stakeholders are in turn connected by four interlocking themes staff professional development enhancement of student learning experiences assessment and digital technologies Presenting chapters that address these four themes this book supports the advancement of SoLT in higher education in relation to

existing theories and emerging practices By helping academics and leaders in higher education to implement SoLT for the improvement of student learning and teaching practices it also makes a valuable contribution to the field of teacher education
