**A Survey of Mathematics with Applications** Allen R. Angel, Christine D. Abbott, Dennis Runde, 2013-10-03  
In a Liberal Arts Math course a common question students ask is Why do I have to know this  
A Survey of Mathematics with Applications continues to be a best seller because it shows students how we use mathematics in our daily lives and why this is important  
The Ninth Edition further emphasises this with the addition of new Why This Is Important sections throughout the text  
Real life and up to date examples motivate the topics throughout and a wide range of exercises help students to develop their problem solving and critical thinking skills  
Angel Abbott and Runde present the material in a way that is clear and accessible to non math majors  
The text includes a wide variety of math topics with contents that are flexible for use in any one or two semester Liberal Arts Math course
