Netflix 2025:

Brands in Times of Constant Change Daniel Neye, Joachim Bongard, 2026-01-01 The world is in a constant state of crisis with brands right in the middle of it Whether it is climate change artificial intelligence political conflicts or societal upheavals companies must act faster more flexibly and more responsibly than ever before while remaining profitable at the same time But how does modern brand management navigate a brand through these challenging times What is needed are strategic approaches that enable a future proof brand management without neglecting the pressing social ecological and economic challenges of our time All of this is critically discussed and reflected by the two authors in this book In addition to the fundamentals of strategic brand management they explain using examples and visionary concepts what holistic brand management looks like today and in the future In this context the fundamental societal role of brands as well as the political and ethical dimensions of economic action in general are also addressed Because at this turning point in time brands must broaden their horizons recognize and successfully master the complex social ecological and economic challenges of the present in order to secure and shape their own future [Global Perspectives on Indigenous Film and Literature](#) Amar Ramesh Wayal, A. P. Anupama, 2025-09-22 This edited volume comprehensively explores narrative survival in Indigenous film and literature forging a literary and transitional approach to native writing It navigates the evolution of Indigenous voices spanning the oral tradition and literary forms from colonial times to the present It covers a range of issues related to indigenous inequalities and diversities in film and literature With chapters from global perspectives including North America Canada New Zealand and South Asia it ensures an inclusive exploration of indigenous narratives The diverse chapters address topics such as the aboriginal experience residential school legacy the invisible nation of Algonquins tribal songs decolonial futures caste survival narrative trauma and other marginalized groups such as low castes linguistic minorities and Adivasis tribals The book focuses on innovative concepts to understand the study of a particular indigenous group in isolation from others and more than the conventional comparative study of different indigenous groups It deals with the challenges of achieving local indigenous rights and identities It is a valuable resource for social science and humanities scholars particularly for indigenous scholars development professionals and administrators interested in the issues related to social diversity and indigeneity in a global setting [Marketing Technology](#) Ediz Edip Akçay, 2026-02-03 Marketing Technology is the ideal textbook for understanding technology driven marketing strategy in a digital first world This textbook provides upper level undergraduate and postgraduate students with a comprehensive understanding of how innovation shapes marketing strategy and practice in the modern business environment Blending theory strategic models and applied insights this textbook explores the technologies transforming marketing from artificial intelligence and machine learning to blockchain automation and augmented virtual and mixed realities Students will learn how to use data and critical thinking to deliver measurable impact and build customer trust in an era of continuous digital evolution Designed for academic
