Hello! You might be thinking about what a godsend this font set is for your fan game/art/video right now. Even if you aren't though, **please note the below terms of use!**

*1) If you use this font in your work, it would be nice if you find me on tumblr (ingthing) or email me (contact@ingridyiu.com) and send me a nice message! It took me a long time to make this, and I'd love to expand it but I like to be encouraged!*

## **TERMS OF USE**

**1. Do not redistribute and/or claim this work as your own. This is the most important rule.**

It's fine to share the link to this font or the files of this font with your friends, but **don't repost the files** to the internet and say you made them. That's just rude, and I will notice and take action.

**2. Please give credit where it is due!**

This is in part because I'm a big fan when people credit sources, but it's also so that other people can find this awesome font and use it in their own projects!

I understand if there seems like there's no place to put the credit, but here's a few easy copy/paste lines for your description; I promise they won't take up much space!:
