Reddit This Month:

Investigating Online Heritage Crime Damien Huffer, Evie Handby, 2025-12-01 From Reddit and YouTube to collector forums and live auctions the avenues through which cultural heritage can be bought and sold are rapidly growing alongside new digital technologies Considering anew the implications of this digital expansion for the online trafficking of cultural property and human remains Investigating Online Heritage Crime conducts an exacting examination of these relatively under researched sites of heritage crime The chapters address how networks operate within and because of the interconnected social media and e commerce landscape Through doing so this volume highlights where markets for online heritage are headed especially given the ever prevalent adoption of AI and LLM Large Language Models technology that is profoundly reshaping all aspects of online life including licit and illicit commerce

The Dark Social Toija Cinque, Alexia Maddox, Robert W. Gehl, 2023-11-07 This book explores how people interact online through anonymous communication in encrypted hidden or otherwise obscured online spaces Beyond the Dark Web itself this book examines how the concept of dark social broadens the possibilities for examining notions of darkness and sociality in the age of digitality and datafied life The authors take into account technical moral ethical and pragmatic responses to ourselves and communities seeking to belong in of the dark Scholarship on the Darknet and Dark Social Spaces tends to focus on the uses of encryption and other privacy enhancing technologies to engender resistance acts Such understandings of the dark social are naturally in tension with social and political theories which argue that for politics and acts to matter they must appear in the public light They are also in tension with popular narratives of the dark recesses of the web which are disparaged by structural powers who seek to keep their subjects knowable and locatable on the clear web The binary of dark versus light is challenged in this book The authors provocation is that practices of dark resistance motility and power are enacted by emerging data cultures This book draws together scholarship activism and creativity to push past conceptual binary positions and create new approaches to darknet and dark social studies The Dark Social Online Practices of Resistance Motility and Power will be a key resource for academics researchers and advanced students of media studies cultural studies communication studies research methods and sociology This book was originally published as a special issue of Continuum Journal of Media Cultural Studies

Understanding Reddit Elliot T. Panek, 2021-12-24 This book offers a comprehensive scholarly overview of Reddit one of the most popular and least studied social platforms of the early 21st century The book inspires new ways of thinking about Reddit considering it from multiple perspectives through a historical lens as a site where identity is forged as a democracy as a community and as a news aggregator and distributor By bringing theories from computer mediated communication communication studies and sociology to bear on original large scale observational analyses of Reddit s communities this book provides a uniquely comprehensive overview of the platform s first 15 years Understanding Reddit will help us make sense of how rapidly growing communities function in an era of mass online anonymity Serving both as a primer on how social

behavior on Reddit plays out and as a way of locating it within multiple theoretical traditions the book will offer important insights to scholars and students in the disciplines of communication media studies information science internet and emerging media studies and sociology

Studying Youth, Media and Gender in Post-Liberalisation India

Nadja-Christina Schneider, Fritzi-Marie Titzmann, 2014-11-21 This volume aims to look both at as well as beyond the Delhi Gang Rape through the lens of Indian Media Studies The editors consider it a critical event or rather critical media event that needs to be contextualized within a rapidly changing diversifying and globalizing Indian society which is as much confronted with new ruptures asymmetries and inequalities as it may still be shaped by the old established structures of a patriarchal social order But the volume also looks beyond the Delhi Gang Rape and introduces other related thematic areas of an emerging research field which links Youth Media and Gender Studies

Socialbots and Their Friends

Robert W. Gehl, Maria Bakardjieva, 2016-12-01 Many users of the Internet are aware of bots automated programs that work behind the scenes to come up with search suggestions check the weather filter emails or clean up Wikipedia entries More recently a new software robot has been making its presence felt in social media sites such as Facebook and Twitter the socialbot However unlike other bots socialbots are built to appear human While a weatherbot will tell you if it s sunny and a spambot will incessantly peddle Viagra socialbots will ask you questions have conversations like your posts retweet you and become your friend All the while if they re well programmed you won t know that you re tweeting and friending with a robot Who benefits from the use of software robots Who loses Does a bot deserve rights Who pulls the strings of these bots Who has the right to know what about them What does it mean to be intelligent What does it mean to be a friend Socialbots and Their Friends Digital Media and the Automation of Sociality is one of the first academic collections to critically consider the socialbot and tackle these pressing questions

The Hidden Psychology of Social Networks: How Brands Create Authentic Engagement by Understanding What Motivates Us Joe Federer, 2020-09-15 From the former Head of Brand Strategy at Reddit comes a proven and thought provoking approach to the digital economy and how brands can create authentic engagement that is rooted in the fundamental motivations behind human psychology Leading marketing practitioner and thought leader Joe Federer draws on evolutionary biology anthropology neuroanatomy and psychology as well as more than a decade of hands on experience to explain why people act so differently in various online spaces and what they are seeking from participating in each one With a framework based on Freud s Id Ego and Superego model of the human psyche he demonstrates how the internet is a digital reflection of the collective human psyche and how different social networks correspond to different mindsets platforms like Reddit to the unfiltered Id Facebook and Twitter to the managed Ego and Instagram to the ideal Superego In the same way you behave differently when you re home alone out with friends communicating with family or interacting with coworkers people act and express themselves differently in these various online spaces Context matters Understanding this will enable you to develop and execute effective engagement strategies to reach your target audiences on

each social network Learn how to create content that drives sharing and word of mouth how brands can fit natively into different types of social channels how to balance branded social presences across different networks why authenticity will only grow in importance to consumers Fascinating and deeply compelling The Hidden Psychology of Social Networks will equip you to make vastly more efficient use of your media buys establish more thoughtful strategies develop better creative and in the end deliver more effective marketing that provides value
