The Water Cure:

The Water Cure, 1902 **Water Cure** The Sophie Mackintosh, 2018-05 Once upon a time damaged women came here to be cured We took them in fed them glasses of our clean good water let them scream at the waves till their lips split like ripe fruit Now no one is left but my sisters and me King died a year ago quite suddenly Mother has vanished no one knows where And the safe compound they built around us far away from the toxic world has finally been breached Three men arrived last week washed up by the sea their gazes hungry and insistent We remember now what our father taught us If the men come to you show yourself some mercy Don t stick around and wait for them to put you out of your misery *The Water Cure in America* H.
