Mlb Playoffs Top Returns:

Will Big League Baseball Survive? Lincoln Mitchell, 2017 Major League Baseball is a beloved American institution that has been a product of the economic social and media structures that have evolved in the United States over the last century In his shrewd analysis Will Big League Baseball Survive Lincoln Mitchell asks whether the sport will continue in its current form as a huge lucrative global business that offers a monopoly in North America and whether those structures are sustainable Mitchell places baseball in the context of the larger evolving American and global entertainment sector He examines how both changes directly related to baseball including youth sports and the increased globalization of the game as well as broader societal trends such as developments in media consumption and celebrity culture will impact big league baseball over the next few decades His book ultimately proposes several possible scenarios for what big league baseball might look like Will it become more global smaller or remain the same or will it transform into some kind of hybrid of the three

International Sports Economics Comparisons Rodney D. Fort, John L. Fizek, 2004-03-30 This book brings together for the first time under a single cover international comparisons of the major topics in sports economics Contributors are all renowned scholars of the international sports scene in Australia New Zealand Brazil the Pacific Rim North America and Europe The reader will find an overview of sports in particular countries and regions along with comparisons along the major topics of economic importance In particular the contributions compare and contrast revenues and costs labor markets restrictions and discrimination market structures league and association organizations and outcomes team profitability and competitive balance and policy issues especially competition policy Aimed primarily at sports scholars practicing sports professionals and policymakers the volume is also well suited for undergraduate sports economics sports management and sports law courses
