Tiktok Guide Returns:

The return of the housewife Emma Casey, 2025-04-08 An illuminating look at the world of cleanfluencers that asks why the burden of housework still falls on women Housework is good for you Housework sparks joy Housework is beautiful Housework is glamorous Housework is key to a happy family Housework shows that you care Housework is women s work Social media is flooded with images of the perfect housewife TikTok and Instagram cleanfluencers produce endless photos and videos of women cleaning tidying and putting things right Figures such as Marie Kondo and Mrs Hinch have placed housework with its promise of a life of love and contentment at the centre of self care and positive thinking And yet housework remains one of the world s most unequal institutions Women especially poorer women and women of colour do most low paid and unpaid domestic labour In *The return of the housewife* Emma Casey asks why these inequalities matter and why they persist after a century of dramatic advances in women s rights She offers a powerful call to challenge the prevailing myths around housework and the naturally competent woman homemaker *Routledge Handbook of Chinese Media* Ming-Yeh T. Rawnsley, Yiben Ma, Gary D. Rawnsley, 2025-08-19 The new second edition of this successful Handbook explores the growing and evolving field of Chinese media offering a window through which to observe multi directional flows of information culture and communications within the contexts of globalisation and regionalisation Bringing together the research of an international and interdisciplinary team providing expert analysis of the media in China Hong Kong Taiwan and Macau as well as among other Chinese communities this new edition Highlights how new social economic and political forces have emerged to challenge the production and consumption of media outputs Reveals how the growing prevalence of social media such as WeChat and TikTok continues to blur the boundary between online and offline allowing state institutions to interfere in the lives of their users and civil societies to mobilise and articulate their interests and grievances Outlines how the development of new communications technologies and their use by political and economic actors journalists civil societies and diaspora communities contribute to the complex multi directional flow of information culture and communications in the twenty first century Contributing to the growing and evolving field of Chinese media studies this Handbook is an essential and comprehensive reference work for students of all levels and scholars in the fields of Chinese Studies and Media Studies
