Youtube Top:

YouTube: An Insider's Guide to Climbing the Charts Alan Lastufka, Michael W. Dean, 2008-11-19 Want to make a splash on YouTube? Even go viral? You've come to the right place. This book is written by two veteran Tubers who live their art and know what they're talking about, especially Alan Lastufka, a.k.a. fallofautumndistro who has over 13,000 YouTube subscribers and over 4 million views. Alan and co-author Michael W. Dean show you how to make a quality video and how to optimize, encode, upload, and promote it. This book can't promise you'll be rich and famous, but it can tell you how to make great video art and what you need to do to get your work seen. You'll learn about storytelling and directing, shooting, editing, and rendering. Creating your very own channel, broadcasting user-generated content, re-broadcasting commercial content, cultivating a devoted audience, fitting into the YouTube community, becoming a success story. Join Alan, who makes part of his living from YouTube, and Michael, a successful filmmaker, author, and D.I.Y. art pioneer. They'll take you from the basics of gear to making it big on YouTube, with a focus on networking and interaction. You'll also sit in on informative interviews with YouTube stars Lisa Nova, Hank Green, vlogbrothers, WhatTheBuckShow, nalts, and LiamKylesullivan. Alan and Michael understand viral marketing, and they know what it takes to get your work on everyone's YouTube radar. And once you read this book, so will you.

The Politics of Social Media Manipulation Richard Rogers, Sabine Niederer, 2025-10-01 Disinformation and so-called fake news are contemporary phenomena with rich histories. Disinformation, or the willful introduction of false information for the purposes of causing harm, recalls infamous foreign interference operations in national media systems. Outcries over fake news or dubious stories with the trappings of news have coincided with the introduction of new media technologies that disrupt the publication, distribution, and consumption of news from the so-called rumour-mongering broadsheets centuries ago to the blogosphere recently. Designating a news organization as fake or der L'genpresse has a darker history associated with authoritarian regimes or populist bombast, diminishing the reputation of elite media and the value of inconvenient truths. In a series of empirical studies using digital methods and data journalism, the authors inquire into the extent to which social media have enabled the penetration of foreign disinformation operations, the widespread publication and spread of dubious content, as well as extreme commentators with considerable followings attacking mainstream media as fake. *Proceedings IV Workshop on Technology for Healthcare and Healthy Lifestyle*, **Teaching and Learning Online** Franklin S. Allaire, Jennifer E. Killham, 2022-04-07 *Teaching and Learning Online: Science for Elementary Grade Levels* explores the challenges of teaching science virtually. It includes sections on frameworks, teacher journeys, and lesson plans aligned with Next Generation Science Standards, offering tips, resources, and discussion questions for educators and students.

LEAGUES OF LAUGHTER A. Austin Garey, 2025-08-28 *Leagues of Laughter* traces how a Soviet-created youth game changed as students of nation-states collapsed, competed, and went to war. The game, called KVN Klub veselykh i nakhodchivyykh, or Club of the Cheerful and Clever, spread to universities across the USSR in the 1960s. It is scored by a panel of judges like

figure skating but is played in school and university leagues much like football KVN rocketed to mass popularity oddly due to Soviet censorship Young people could not protest in essays speeches or fiction but the referents of live jokes are hard to prove KVN became a forum for Aesopian free speech Soviet pedagogues promoted the game as a wholesome intellectual youth activity leading to a preponderance of ordinary schoolchildren gaining at least some experience writing jokes Even after the fall of the USSR millions of young people across the former Soviet bloc continued playing KVN in schools universities and semi pro leagues Drawing on fieldwork in Russia and Ukraine between 2015 and 2019 Garey compares KVN traditions in two post Soviet nation states at war A series of interconnected cross border stories spanning 60 years illustrates how laughter and oppression entwined in the long cultural context of the war in Ukraine

Political Performance in Syria Edward Ziter,2014-11-04 Political Performance in Syria charts the history of a theatre that has sought the expansion of civil society and imagined alternate political realities In doing so the manuscript situates the current use of performance and theatre by artists of the Syrian Revolution within a long history of political contestation
