**Smoking Lovely** Willie Perdomo,2021-04-06 Smoking Lovely s explorations of poetry and the neoliberal city at the intersection of community and commodity In this radically revised new edition Perdomo shifts the poem into mostly second person thereby further accentuating its self reflexive and complex exploration of self and as other and of the simultaneous othering commodification and spectacularization of Afro diasporic bodies and cultural forms *When Jack Was with Us* B. K. Holway,2009-05 Urban realism in the tradition of E L Doctorow William Kennedy Philip Roth and Jimmy Breslin *When Jack Was With Us* immerses the reader in neighborhood life in New York City from the late 1950 s through the late 1960 s Unlike many other novels by Baby Boomers this novel makes no attempt to sugarcoat or nostalgize it presents life as the author saw it while growing up in all its beauty and all its brutality There is no single protagonist a number of characters whose lives intertwine each seek to make the best out of their lives amid the rich and often volatile ethnic tapestry of New York against the backdrop of social change as the novel moves from the somnolent 1950 s through the turbulent 1960 s Each character struggles and finds his her damnation or redemption amid a city that personifies a nation in flux It is a coming of age not only for the characters but for the greater American collective psyche **26 Miles** Quiara Alegría Hudes,2010 **THE STORY** The custody battle left them estranged for eight years The road trip destination is two thousand miles across the country The mother s skin is brown the teenage daughter s white So what if reality s nipping at their heels This reun **Ancient Stories of the Hodja** John E. Hillman,2012 This book and the next two volumes in the series are perfect for reading to your children I guarantee that you will find the experience highly enjoyable and your child will be left spellbound and hungry for more All of the Hodja Stories have a little twist to them an unexpected or thought provoking view of life The stories themselves are ancient and have their roots in the Persian Empire of 2500 years ago They are extremely popular in modern day Turkey and in the Middle East There are some literal translations about but due to the complex language used they are difficult for young children to appreciate and fully understand In these books the stories have been re written in a simple form that Primary age children can understand and relate to but without distorting or watering down the story elements or essential meaning in any way The stories rely on careful thought process and the child s application of lateral thinking to fully understand the hidden message within each story Each volume contains carefully graded stories The text for Volumes 2 and 3 has already been completed but I await illustrations drawn by the readers It was great fun preparing the illustrations in Volume 1 but in later volumes I would like to include pictures drawn by the readers Inside the volume are details of a competition which all readers are invited to enter See the Competition page inside for full details If their picture is chosen for inclusions in Volumes 2 or 3 they will win a free book containing their illustration signed by the author Email me at [jhillman@hodja.stories.aol.com](mailto:jhillman@hodjastories.aol.com) for further news and updates on the competition results and more books **Latina Magazine** ,2005 [Castles in the Point](#) Al Bruno,2011-09-30 The Point produce and food distribution epicenter to New York New Jersey and Connecticut
