**Health Food Junkies** Steven Bratman, M.D.,David Knight,2004-07-27 The first book to identify the eating disorder orthorexia nervosa an obsession with eating healthfully and offer expert advice on how to treat it As Americans become better informed about health more and more people have turned to diet as a way to lose weight and keep themselves in peak condition Anorexia nervosa and bulimia nervosa disorders in which the sufferer focuses on the quantity of food eaten have been highly documented over the past decade But as Dr Steven Bratman asserts in this breakthrough book for many people eating correctly has become an equally harmful obsession one that causes them to adopt progressively more rigid diets that not only eliminate crucial nutrients and food groups but ultimately cost them their overall health personal relationships and emotional well being Health Food Junkies is the first book to identify this new eating disorder orthorexia nervosa and to offer detailed practical advice on how

to cope with and overcome it Orthorexia nervosa occurs when the victim becomes obsessed not with the quantity of food eaten but the quality of the food What starts as a devotion to healthy eating can evolve into a pattern of incredibly strict diets victims become so focused on eating a pure diet usually raw vegetables and grains that the planning and preparation of food come to play the dominant role in their lives Health Food Junkies provides an expert analysis of some of today s most popular diets from The Zone to macrobiotics raw foodism to food allergy elimination and shows not only how they can lead to orthorexia but how they are often built on faulty logic rather than sound medical advice Offering expert insight gleaned from his work with orthorexia patients Dr Bratman outlines the symptoms of orthorexia describes its progression and shows readers how to diagnose the condition Finally Dr Bratman offers practical suggestions for intervention and treatment giving readers the tools they need to conquer this painful disorder rediscover the joys of eating and reclaim their lives *Healthy Healings Detoxification* Linda Page,2008-09 More than 25 000 new toxins enter our environment each year Detoxification is becoming a necessary commitment for health in the modern world However too many fad diets and detox products on the market today are overly harsh and create further health imbalances by depleting the body of essential nutrients Clearly Americans need safe detox options that restore the body to good health without these risks and side effects In *Healthy Healing s Detoxification* world renowned naturopath and best selling author Dr Linda Page shares her hard won experience on detoxification and shows you how to cleanse safely and naturally for the best results With over thirty years of experience in the health field Dr Page details critical information on how to cleanse the healthy way and the types of cleanses to avoid She shows you what you can expect when you cleanse what a good cleanse really does and how to direct a cleanse to the body systems that need the most support Includes step by step detox programs for health concerns like arthritis allergies asthma candida GERD infertility weight loss and much more Get on the path to renewed health and vitality Start your Healthy Healing detox today [The Complete Book of Men's Health](#) Men's Health Books,2000-08-22 Provides information on health related topics exercise diet and personal grooming *Healthy Healing* Linda G.
