Civil Society: Concepts, Challenges, Contexts Michael Hoelscher,Regina A.

List,Alexander Ruser,Stefan Toepler,2022-05-10 This volume is a collection of original essays prepared by colleagues

collaborators and former students on the occasion of Helmut K Anheier s 65th birthday and retirement from the University of

Heidelberg An internationally recognized pioneer of nonprofit and civil society studies Anheier focused his work on providing

clarity around 1 civil society local and global observing its origins and trajectory and developing theories to explain it 2 the

nonprofit sector and institutions within and extending from it including nonprofit organizations philanthropy and social

investment and 3 culture as it relates to democracy and back to civil society The essays in this volume refer to these concepts

and position them in the context of developments over the last two to three decades The volume is arranged in three sections

The first section comprises essays that elucidate concepts and probe theories in the field The second section presents

chapters discussing current global challenges and trends in the focal areas The third and final section then comprises

country and regional case studies illustrating important aspects of the global challenges or theoretical issues of the two

preceding sections A fascinating and up to date overview of key issues and trends in civil society and nonprofit research by

an international collection of eminent scholars in these fields this book will be attractive to civil society and nonprofit sector researchers as well as a broader academic community of political scientists sociologists economists and cultural experts
