Conectate: Introductory Spanish with Connect Access Card Grant Goodall, Darcy Lear, 2014-11-04

Students of Introductory Spanish learn best when they are connecting with authentic culture with each other as a community and with the language as used in real world settings. Con ctate sparks the curiosity that builds these connections as students drive toward communicative and cultural confidence and proficiency. The Con ctate program s distinctive approach is built around the following principles:

- Focused approach:** Con ctate concentrates on what Introductory Spanish students can reasonably be expected to learn, allowing for sustained engagement with the material that respects the natural process of language acquisition. An intentional focus first on meaning and then on form puts in action the best practices of second language pedagogy.
- Plus:** Con ctate s reduced grammar scope leaves more time for the systematic review and recycling of vocabulary and grammar required for students to achieve mastery of first year skills.

Fortifying this process at every turn is LearnSmart™, a powerful super adaptive learning program that guides students on an individualized path toward mastery of all the vocabulary and grammar in Con ctate.

**Active learning:** Con ctate gives students the opportunity to explore language and culture through interactive activities that keep them focused and engaged. Vocabulary and grammar in Con ctate are taught using an active learning approach, nudging students to discover new vocabulary and language rules through a carefully balanced mix of inductive and explicit presentations and hands on learning. Students are similarly asked to take an active role in an immersive online game, Practice Spanish Study Abroad, designed around a study abroad experience in which they leverage their language and cultural skills to accomplish tasks and solve problems in various real world scenarios.

**Integration of culture:** Building on the active learning theme, students develop and apply critical thinking skills as they draw personal conclusions about the rich culture presented throughout Con ctate. Culture is embedded within the language activities themselves, included in notes that expand on the activity at hand and seen through the integrated video that forms the basis for many activities in each chapter of the text. This authentic unscripted video introduces students to useful chunks of language, real world Spanish, and a wide range of topics related to cultural themes. Con ctate s stunning video was shot in Spain, Panama, Miami, Argentina, Costa Rica, and Mexico, and exposes students to a wide variety of people in each country who discuss topics that are familiar and engaging to students.

**Mobile Tools for Digital Success:** The digital tools available in the Connect Spanish platform with Con ctate also successfully promote student progress by providing extensive opportunities to practice and hone their developing skills. These learning opportunities include online communicative activities, instant feedback, peer editing, sophisticated reporting, an immersive game, and an interactive eBook with embedded video and audio. The mobile friendly platform allows students to engage in the course material anytime and everywhere. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it, so that your class time is more engaging and effective. The Story Con ctate is a fresh approach in every way With its focus on the most critical language for communication its active presentation of vocabulary and grammar and its inclusion of real world culture throughout the program provides a unique framework for the Introductory Spanish course with two separate but complementary goals in mind learning to use the language and appreciating the world that it comes from

What makes Con ctate so unique A focused approach The tailored scope and sequence of Con ctate allows students to concentrate on what they can reasonably be expected to learn in an introductory course allowing time for systematic review and recycling This offers a solution to the Introductory Spanish programs that in an effort to cover everything include too much grammar and rush students through the curriculum without spending sufficient time for true learning or mastery

Active learning Con ctate carefully balances a mix of inductive and explicit vocabulary and grammar presentations applying the concept of desirable difficulty throughout This leads students to discover and retain the language and avoids the common type of presentations that only allow for passive learning

Integration of culture Language is culture and culture is language This central idea shapes the way culture is treated in Con ctate not as something separate from the language acquisition process but as something that is integral to the process

Students acquire cultural knowledge and understanding in a natural way as they learn how the language is used within the rich and diverse Spanish speaking world **Connect (with digital WBLM)**

**Introductory Spanish 720 day Access Card for Experience Spanish** María Amores, Michael Morris, José Luis Suárez-García, 2011-01-06 Connect Spanish is the most powerful and flexible course management system available. Rooted in research on effective student learning practices, the platform integrates adaptive learning tools with dynamic engaging language practice activities. The result: better student learning of the Spanish language. *Connect Plus with LearnSmart Achieve (with WBLM) Introductory Spanish 720 day Access Card for Tu mundo* Higher Education McGraw-Hill, 2013-05-09 Tu mundo immerses the Intro Spanish student in a culturally rich world full of opportunities to discover and explore the powerful connections between themselves and the people and cultures of the Spanish speaking world. Students dive in to intensive communicative practice building confidence in their ability to interact in a meaningful way in Spanish with access to a wealth of tools to support and guide their progress including video chat, interactive online scenarios, and an adaptive diagnostic program. In addition, students are able to create their own sense of community resulting in a unique individual experience that will evolve organically with each student, sparking their natural curiosity about their world. Tu mundo employs a communicative methodology that focuses on developing all four skills supported by the best digital learning platform available today: Connect Spanish. Because Tu mundo was designed with today's students in mind, students are more readily engaged with the content thanks to their avid use of web-based tools, their innate interest in the cultures of other countries, and their preference for visual presentations and quick access to information. Tu mundo reflects the world in which our students live where online learning, social networking, texting, instant messaging, mobile devices, tablets, online gaming, and virtual scenarios are an integral part of daily life. What are the pillars of Tu mundo? Our extensive and ongoing research in the Intro Spanish course has led to the creation of Tu mundo with a strong emphasis on the 5 C's: Communication, Culture, Connections, Comparisons, and Communities. Tu mundo delivers content in a variety of ways in order to ensure consistent course outcomes across all course formats.

- 1 Improved communication performance skills. By jumping directly into communicative practice at the beginning of every chapter, students are encouraged to immerse themselves in the experience of active learning, whether in a face-to-face or online classroom. Grammar is presented at the end of each chapter, allowing students to study at home and work through the exercises in Connect Spanish for automatic feedback. Coming to class ready to engage in discussion. This emphasis on communication in the classroom makes Tu mundo the most effective communicative program on the market. No other program commits to this methodology like Tu mundo.
- 2 Creating consistent learning outcomes. Tu mundo offers a powerful adaptive learning system called LearnSmart that allows students to identify grammatical structures and vocabulary words not yet mastered and to receive an individualized study program for mastering them. Students of all experience levels will benefit from using LearnSmart which includes built-in reporting and a competitive scoreboard. Connect Spanish, Voice Board, and Blackboard Instant Messenger (BbIM) both powered by Wimba ensure that students are getting ample practice time no matter where their classes take place.
- 3 Building community and connections.

between students Creating a sense of community in the face to face or virtual classroom is a huge part of language learning and something that Tu mundo does implicitly Whether students collaborate in a physical classroom or in Connect Spanish they are provided with opportunities to engage in meaningful conversations and collaborative task based activities The Amigos sin fronteras a cast of young Hispanic students that share common interests are featured throughout the entire program and showcased in the As somos video segments Through the Amigos sin fronteras students are exposed to a friendly model on how to apply what they are learning to another friendly group of students i e their own class In addition Tu mundo presents an interactive online environment that applies engaging content and task based scenarios that enable you to practicing your language skills in a fun immersive way Thus students can practice Spanish in a context that is not only fun but extremely motivating 4 More Culture and Comparisons coverage Culture is so often left behind so Tu mundo offers it throughout the program Each chapter features a country of focus which doubles as the home country of one of the fifteen amigos Along with in chapter cultural sections every chapter of Tu mundo features a second video segment called Mi pa s within Connect narrated by the amigos themselves as they share information about their native countries This window into the lives of the amigos provides a point of comparison for you to describe your own life The Mundo interactivo scenarios represent a variety of cultural contexts in which you can interact with language and culture in a way that is meaningful to you Connect Spanish including but not limited to the workbook lab manual LearnSmart the video program and chat tools is sold separately and does not come automatically with the purchase of the textbook
