Art Index Alice Maria Dougan, Margaret Furlong, 1976 New York Magazine, 1994-02-21 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Poets & Writers, 1999 **Coils** Barbara Ann Wright, 2016 Cressida loves Greek mythology tales of gods and monsters but she knows they aren t real no matter how awesome it would be to meet the beautiful women of myth When her aunt June disappears Cressida realizes the other members of her family aren t so rational June s notes point to a possible entrance to the fabled Underworld before they cut off completely Following June s footsteps leads Cressida into a world she knew only as legend a place of marvels and danger where the living are highly prized by the dead Desperate Cressida turns to Medusa a demigoddess who s been maligned by myth but everything in the Underworld comes with a price Medusa is more than willing to help find June and all it will cost Cressida is one little murder **Sweet Tempo** James P. Kain, 2009-05-11 From the Prologue of Sweet Tempo Call me Stephen Please Mom and dad call me Little Stevie an embarrassment made worse by the fact that there is no Big Stevie in our family unless you consider Uncle Steve who we haven t seen since my first communion My dad Leopold by the way named me after one of his army buddies who died in the Pacific campaign of WWII I think he wanted me to be Little Stevie reincarnated or something I often disappointed him It s just as well that he didn t call me Little Leo But it s having the Little attached to me all my life that gave me twitches I always wondered when I would grow up I thought it might happen when I first went to college but my mom s letters and phone calls spread the name through all the dorms and hallways It took a major decision the only one at that for me to step out of Little Stevie s pantaloons and into gabardine trousers of adulthood although I really don t know what gabardine is for I still wear denim When I decided that I had enough of college and wanted to travel they surprised me by not arguing At that point I wasn t sure if I had made the decision or they had but once they set me free I was cornered into going Decisions do not come easily to Little Stevie so it was with great ironies and twists of fate that this decision would lead me to this My trip began as an adventure and this book a travelogue But as Providence would have it it soon became a romance and then some twisty sort of unromance then I wish it never happened a tragedy The reader I hope sees a comedy in tragic guise the irony is there to taste Much that is written here need not have been written my preference is that none of it occurred At this point much seems like a nightmare within a dream and in fact the dreams I had while on this trip were as real as sin You ll see There are times that I wonder if it happened at all But the story here needs to be told if only to honor the memory of love lost Perhaps the story will entertain but it also serves as therapy and treatment for the tragic minded and chronically romantic I wonder now if this is what it means to grow up The

A man who possesses a strange watch that rejuvenates him when he's ill. Matthew Glass must find a particular watchmaker but he won't tell India why any old one won't do.
