Connect and Involve Robert J. Martin, 2020-09-15 *Connect and Involve* How to Connect with Students and Involve Them in Learning is a practical handbook of strategies and procedures for teaching at all grade levels elementary middle and high school The secret to increasing teaching effectiveness is to make small changes in what teachers think and do and to get their students to make small changes in what they think and do Every time teachers connect with students and involve them in learning teachers engage them in powerful ways that make it more likely that they will choose to learn and to do quality work This book shows how to be a more effective teacher through small changes in planning and classroom procedures Each chapter focuses on a key strategy and each chapter head and its subheads are an outline of how to put the strategy into practice Teachers can preview all the ideas by reading the chapter titles heads and subheads There are no prescriptions here teachers bring their expertise on the age group the subjects they teach and the big ideas and key skills students need to achieve on high stakes testing The strategies and procedures provide ways for teachers to evaluate where small changes can make a difference in achievement for their students

**Boot and Shoe Recorder** ,1898      **Parenting While Working from Home** Karissa Tunis, Shari Medini, 2021-01-19 Parenting in December is very different from parenting in July especially while working from home As more parents work from home than ever before there are unique challenges when it comes to meeting the demands of their job helping their kids thrive and finding even five minutes to take care of themselves Parenting While Working from Home offers tips strategies and reflections to help parents balance their careers connect with their kids and establish their inner strength over the course of a year Parenting experts and founders of the popular website Adore Them Parenting Karissa Tunis and Shari Medini share actionable tips heartfelt insight and planning strategies to help you enjoy your own parenting journey while working from home Building on the authors own experiences and the most common challenges they hear parents voicing today Parenting While Working from Home encourages parents to make intentional changes that will result in happier families and thriving careers This practical guide will teach you how to Manage your time so that both your kids and your job get the attention they need Build a professional network and maintain your productivity from home Create a kid friendly environment that encourages independence and strong sibling bonds Consistently tune in to your own needs so that you can meet your true potential And so much more While it isn't always easy working from home while raising a family can and should be an incredible experience Parenting While Working from Home offers comfort in shared struggles new solutions and calmer days ahead
