ICloud Today:

The iPad for Photographers Ben Harvell, 2013-08-05 Think the little LCD on the back of your camera is useful. You haven't seen anything yet. This book will show you how to put photography's new essential piece of kit at the centre of your workflow enabling you to bridge the gap between the camera and the internet by importing and uploading photos to the cloud, edit images on the road with the latest and most powerful apps and organise and design your portfolio in a sleek and stylish package that will impress clients and present your work at its best. Novice or pro, the photographic uses of your iPad are endless and this guide gives you everything you need to take full advantage of this powerful tool's capabilities. Fully updated for the latest apps, retina screen iPad mini and iOS 6. Catch up or get left behind. Fluency with an iPad is now an industry standard. A must read for iPad-owning digital photographers everywhere. [Pro iOS Security and Forensics](#) Eric

Butow, 2018-07-31 Examine how to keep iOS devices safe in the physical world including creating company policies for iPhones, assessing and defending against cyber vulnerabilities and attacks, working with preinstalled as well as third party tools and strategies for keeping your data safe including backing up and screen locks. Managing and maintaining iPhones and iPads in a corporate or other business environment inherently requires strict attention to security concerns. Managers and IT professionals need to know how to create and communicate business policies for using iOS devices in the workplace and implement security and forensics tools to manage and protect them. The iPhone and iPad are both widely used across businesses from Fortune 500 companies down to garage start-ups. All of these devices must have secure and monitorable ways to connect to the internet, store and transmit data without leaks and even be managed in the event of a physical theft. [Pro iOS Security and Forensics](#) covers all these concerns as well as also offering tips for communicating with employees about the policies your business puts in place, why those policies are important and how to follow them. What You'll Learn: Review communicating policies and requirements for use of iPhones. Keep your iPhone safe in the physical world. Connect to the Internet securely. Explore strategies for keeping your data safe including backing up and screen locks. Who This Book Is For: Managers and IT professionals working in a business environment with iPhones and iPads. **Teach Yourself**
