Terms & Conditions R.,2021-04-22 Master satirist tackles the contract everyone agrees to but no one reads For his newest project R Sikoryak tackles the monstrously and infamously dense legal document iTunes Terms and Conditions the contract everyone agrees to but no one reads In a word for word 94 page adaptation Sikoryak hilariously turns the agreement on its head each page features an avatar of Apple cofounder and legendary visionary Steve Jobs juxtaposed with a different classic strip such as Mort Walker s Beetle Bailey or a contemporary graphic novel such as Craig Thompson s Blankets or Marjane Satrapi s Persepolis Adapting the legalese of the iTunes Terms and Conditions into another medium seems like an unfathomable undertaking yet Sikoryak creates a surprisingly readable document far different from its original purely textual incarnation and thus proving the accessibility and flexibility of comics When Sikoryak parodies Kate Beaton s Hark A Vagrant peasant comics with Steve Jobs discussing objectionable material or Homer Simpson as Steve Jobs warning of the penalties of copyright infringement Terms and Conditions serves as a surreal record of our modern digital age where technology competes with enduringly ironclad mediums

Relating Worlds of Racism Philomena Essed,Karen Farquharson,Kathryn Pillay,Elisa Joy White,2018-08-20 This international edited collection examines how racism trajectories and manifestations in different locations relate and influence each other The book unmasks and foregrounds the ways in which notions of European Whiteness have found form

in a variety of global contexts that continue to sustain racism as an operational norm resulting in exclusion violence human rights violations isolation and limited full citizenship for individuals who are not racialised as White The chapters in this book specifically implicate European Whiteness whether attempting to reflect negate or obtain it in social structures that facilitate and normalise racism The authors interrogate the dehumanisation of Blackness arguing that dehumanisation enables the continuation of racism in White dominated societies As such the book explores instances of dehumanisation across different contexts highlighting that although the forms may be locally specific the outcomes are continually negative for those racialised as Black The volume is refreshingly extensive in its analyses of racism beyond Europe and the United States including contributions from Africa South America and Australia and illuminates previously unexplored manifestations of racism across the globe The New Music Review and Church Music Review ,1923 Software Reviews on File ,1989
