

Colossenses 2: 16-23 - Exegese e Aplicação

de Dennis Downing

Parte I - Introdução e Exegese (Col 2: 16-17)

A questão do Cristão participar ou não em certas festas, comemorações e celebrações como Páscoa, Natal, Ano Novo, Pentecostes, Festas Juninas e outras, tem causado polêmica ou controvérsia entre discípulos de Jesus. Alguns se preocupam que, se forem adotadas pela igreja ou se Cristãos nelas participarem, poderiam levar a sérios danos para a vida da igreja e dos seguidores de Jesus. Buscaremos saber até que ponto a igreja pode se envolver dentro dos padrões culturais sem se comprometer espiritualmente. Neste estudo também veremos algumas diretrizes bíblicas em relação a como tratar assuntos que tem o potencial de dividir Cristãos, mas, que, por sua natureza não envolvem questões centrais da fé Cristã.

Na nossa abordagem pretendemos analisar esta questão em duas partes. Primeiramente, analisaremos como foram tratadas as questões de festas, celebrações, comemorações, e etc. no NT. Nesta parte tentaremos responder a dúvidas como:

1. Os primeiros Cristãos comemoraram ou guardaram algumas datas ou festas específicas?
2. A Bíblia condena claramente datas especiais ou comemorações dentro da igreja local, ou na vida pessoal do Cristão?
3. A Bíblia nos dá uma luz ou alguns princípios em relação à comemoração de datas ou celebrações no calendário da igreja?
4. Como foi tratada a questão de diferença de opinião ou de questões de consciência quanto a festas, comemorações, etc.?

Na segunda parte vamos tentar aplicar os fundamentos bíblicos à nossa realidade atual. Tentaremos lançar alguns princípios sobre como podem ser resolvidos diferenças entre os irmãos em relação à questão de celebrações, comemorações e datas especiais dentro da igreja e no nível particular entre os irmãos. Procuraremos responder às seguintes dúvidas:

1. Existe alguma proibição bíblica que impede alguma congregação ou o Cristão em particular de comemorar ou guardar datas como Páscoa, Natal, Ano Novo, etc.
2. Como deve ser tratada a questão de festas ou comemorações que alguns gostariam de comemorar e outros não?
3. Como devemos lidar com controvérsias a respeito de datas especiais na igreja?
4. Qual o tratamento ou comportamento adequado quando enfrentamos questões de consciência em relação a datas e comemorações especiais?

Para começar, vamos analisar uma passagem em que a questão de guardar ou não certas datas foi tratada diretamente.

Colossenses 2 16 23

Schönbach

Colossenses 2 16 23:

Approaching New Testament Texts and Contexts Lars Hartman,2013 In this volume Lars Hartman deals with several major topics Some of the essays are devoted to exegetical and hermeneutical issues beginning with the theoretical considerations concerning what it means to write a commentary These are followed by detailed studies on various aspects of text analysis as a preparation for his commentary on the Gospel of Mark Furthermore Hartman has written groundbreaking articles on baptism especially in regard to the name formula The final essays deal with the Hellenistic context of various New Testament texts and topics for instance the study of Hellenistic Elements in Apocalyptic Texts This volume is an appropriate complement to Lars Hartman s earlier collection on text centered New Testament studies which was published in 1997

F. Bruce,1984-10-23 undertaken to provide earnest students of the New Testament with an exposition that is thorough and abreast of modern scholarship and at the same time loyal to

the Scriptures as the infallible Word of God This statement reflects the underlying purpose of The New International Commentary on the New Testament Begun in the late 1940s by an international team of New Testament scholars the NICNT series has become recognized by pastors students and scholars alike as a critical yet orthodox commentary marked by solid biblical scholarship within the evangelical Protestant tradition While based on a thorough study of the Greek text the commentary introductions and expositions contain a minimum of Greek references The NICNT authors evaluate significant textual problems and take into account the most important exegetical literature More technical aspects such as grammatical textual and historical problems are dealt with in footnotes special notes and appendixes Under the general editorship of three outstanding New Testament scholars first Ned Stonehouse Westminster Theological Seminary Philadelphia then F F Bruce University of Manchester England and now Gordon D Fee Regent College Vancouver British Columbia the NICNT series has continued to develop over the years In order to keep the commentary new and conversant with contemporary scholarship the NICNT volumes have been and will be revised or replaced as necessary The newer NICNT volumes in particular take into account the role of recent rhetorical and sociological inquiry in elucidating the meaning of the text and they also exhibit concern for the theology and application of the text As the NICNT series is ever brought up to date it will continue to find ongoing usefulness as an established guide to the New Testament text
