Dear Mr Bandi,

As a creative graphic designer with 5+ years of relevant experience, I was thrilled to see the job opening in your graphic design team. At Artic Design, I achieved a 97% customer satisfaction rate and produced outstanding graphics for a varied portfolio of 80+ clients. It would be a pleasure to apply my skills towards fulfilling the needs and requirements of DesignTier's customers with equally excellent results.

A proactive approach to customer satisfaction and a creative spark are key qualities in a rapidly growing company like DesignTier. I've proven myself to be more than capable in these areas, for example through:

- Introducing a new method of establishing customer requirements and expectations, leading to a 60% decrease in the number of edit rounds and a 40% increase in efficiency.
- Creating brand guidelines for over 40 companies, complete with custom fonts and colour schemes.
- Designing 80+ wireframes for client websites and collaborating with web developers.

DesignTier's individual approach to each customer is worthy of utmost admiration. I believe that in the design industry, the key to company growth and success is finding the right balance between designing creative solutions and tailoring the product to the client's needs.

I'm eager to discuss how my skills and expertise can contribute to DesignTier's continued success, and perhaps even open up new avenues for company growth.

Best regards,

Arun Saha, Graphic Designer

P.S. It would be great to tell you more about how my logo design was shortlisted for the 2020 Worldwide Logo Design Awards—and how I plan to win this year!
