Spicer, 2014-01-10 Throughout the 1940s and 1950s acclaimed horse trainer and show rider Martha Crawford Cantarini was among the busiest of Hollywood's elite corps of female stunt riders. She was the regular stunt double for such actresses as Eleanor Parker, Anne Baxter, and Shirley MacLaine, appearing in films ranging from Elvis Presley's debut feature *Love Me Tender* to the epic Western *The Big Country*. Martha also hosted a Las Vegas television program in the 1960s while her palomino Frosty gained fame as the gambling horse after rolling a seven at the Thunderbird Casino craps table. **Rainstone Fall** Peter Helton, 2011-10-11 For Chris Honeysett, artist and private investigator, autumn threatens to bring down more than just the roof of his studio. A stormy October in the City of Bath forms the backdrop to Aqua Investigation's strangest case yet. When Chris downs brushes to take on what looks like a simple surveillance job, he soon finds himself in a frightening world of murder, abduction, and blackmail. Dark times often require extraordinary solutions; why else would Honeysett suddenly find himself on the wrong side of the law? Unexpected cracks are beginning to show in his private life, too, just when the triangle that is Chris, Tim, and Annis should be working together to keep them all out of jail. In *Rainstone Fall*, first impressions count for nothing, and all appearances are deceptive.

**Before I Fall** Jessica Scott, 2015-03-03 I thought I could do this. I thought I could leave the war behind. I was wrong. I can't do this. I can't go to class and pretend like everything is normal. That I'm normal. I'm not. I've lost everything that matters to me. But I made a promise. And if I'm going to keep that promise, I have to focus. I have to pretend that I belong on this southern campus that drips with old money. And I have to pass stats. That's where Beth comes in. I'm terrified she'll see through me. That the careful lies and easy smile won't be enough to convince her that everything is fine. That she'll see how broken I really am. But there's something about her that draws me closer. A sadness in her eyes that I'm powerless to resist. I should walk away. Protect her from the broken darkness in me. Before we both fall into something neither of us can control. Stay focused. Get a job. Save her father's life. Beth Lamont knows far too much about the harsh realities of life. Her gilded classmates have only read about it in class. She'll do whatever it takes to take care of her father, even if that means tutoring a guy like Noah, a guy who represents everything she hates about the war, soldiers, and what the Army has done to her family. Noah Warren doesn't know how to be a student. All he knows is

war But he s going to college now to fulfill a promise and he doesn t break his promises Except he doesn t count on his tutor being drop dead gorgeous and distracting as hell One look at Beth threatens to unravel the careful lies Noah has constructed around him A simple arrangement turns into something neither of them can deny And a war that neither of them can forget could destroy them both *Shoe and Leather Reporter* ,1880 **How Not to Fall in Love** Jacqueline Firkins,2021

Seventeen year old Harper Jamison does not believe in romance Years of working at Beneath the Veil her single mother s bridal boutique have shown Harper the reality of love and weddings and a summer fling that ended badly only added to her cynicism But this doesn t stop her from sneaking glances at Felix the cute boy from school who works out at the gym across the street even if she has no plans of ever asking him out Her best friend Theo on the other hand is a complete romantic who keeps getting his heart broken by girls who don t reciprocate the intensity of his feelings When Harper offers to teach Theo how to date without becoming too invested Theo agrees on the condition that Harper leads by example She accepts the challenge and approaches Felix who turns out to be as attracted to Harper as she is to him She soon realizes that maintaining indifference might be more difficult than anticipated especially if the romance that she s been rejecting might be something she wants after all despite her fear of breaking up [After the Fall of Heaven](#) Kioumars Sahebpanah,2022-01-14

Throughout life you stand at many crossroads where you have to make a choice you have to go left or right For the most part one convinces oneself that the choices one makes and the decisions one makes are made on the basis of rational and sensible considerations but often it is our emotions that ultimately make the difference Other times it is some external circumstances or coincidences that determine whether one is going to follow the path to the left or to the right For most people it doesn t matter much which way they follow most get where they want to go perhaps with a few knubs but rarely life threatening In this book we follow a little Iranian boy Kioumars from the age of four until he as a middle aged man writes his memoirs as a Danish citizen in a suburb of Copenhagen For him conscious choices coincidences or external circumstances have several times meant life or death or vastly different life courses The book takes us to a newly built neighborhood in Tehran where we follow family life closely for better and worse described with a lovely sense of humor After the revolution Kioumars flees and the trip through the mountains to the Turkish border and the wait in Turkey is nerve wracking The final destination is Denmark where he encounters a very different culture in a welfare society that surprises him and presents challenges In the book Kioumars looks back on his life and on all the crossroads he has stood by Several times coincidences have saved his life coincidences also led him to Denmark and not to the United States which was originally his great wish not wanting to participate in the Iraq War was a conscious choice and led to the escape and later it was external circumstances that changed Kioumars s life radically as he did not flee but moved from Iran to Denmark The book is written humorously and unsentimentally but is still experienced as a heartbreaking tale of being a refugee and leaving his homeland and settling into a new culture **Waste Trade Journal and Mill Stock Reporter** ,1907 *Portland Transcript* ,1861 *The Youth's*
