[Frog] Professor Yan Mo, 2011-05 Japanese edition of *Wa Frog* by Mo Yan the author of *Red Sorghum* This book is the winner of the 8th 2011 biannual Mao Dun Literature Prize It is interwoven with four long letters from a Chinese playwright to a Japanese writer and a play The playwright's aunt was an obstetrician in 1960's China when the country initiated the one child policy to control population growth Through her experience working under the State's iron fist the novel conveys the emotionally wrenching story hinting the overpowering shame felt by the intellectuals In Japanese Distributed by Tsai Fong Books Inc

The Third Birth of Confucius Kashi Ram Sharma, 2022-04-27 The Third Birth of Confucius deals with the Chinese sage and philosopher Confucius and his philosophical and politico-cultural legacies As the title suggests Confucius has once again taken birth in China Confucius died for the first time when he gave way to Buddhism in the tenth century but was reinvented again Neo-Confucianism This was the second birth of Confucius In the twentieth century under the influence of western ideas China's liberals and Marxists abandoned Confucius again But how long can a civilization live without any ideational orientation Hence the third birth of Confucius from AD 2000 onwards Confucius is emerging as a proxy word for cultural nationalism In fact it is not one Confucius who is taking birth in China but two One is the common man's Confucius which is authentic and genuine The other Confucius is promoted by the Chinese Government The author believes that soon either China will embrace democracy or it may implode and disintegrate like the former Soviet Union This book is an attempt to unravel the muddled reality of China and will definitely prove a landmark work in the field of Chinese Studies *World Literature in Theory* David Damrosch, 2014-01-28 *World Literature in Theory* provides a definitive exploration of the pressing questions facing those studying world literature today Coverage is split into four parts which examine the origins and seminal formulations of world literature world literature in the age of globalization contemporary debates on world literature and localized versions of world literature Contains more than 30 important theoretical essays by the most influential scholars including Johann Wolfgang von Goethe Hugo Meltzl Edward Said Franco Moretti Jorge Luis Borges and Gayatri Spivak Includes substantive introductions to each essay as well as an annotated bibliography for further reading Allows students to understand articulate and debate the most important issues in this rapidly changing field of study *Routledge Handbook of Modern Japanese Literature* Rachael Hutchinson, Leith Douglas Morton, 2016-06-03 The *Routledge Handbook of Modern Japanese Literature* provides a comprehensive overview of how we study Japanese literature today Rather than taking a

purely chronological approach to the content the chapters survey the state of the field through a number of pressing issues and themes examining the ways in which it is possible to read modern Japanese literature and situate it in relation to critical theory The Handbook examines various modes of literary production such as fiction poetry and critical essays as distinct forms of expression that nonetheless are closely interrelated Attention is drawn to the idea of the bunjin as a person of letters and a more realistic assessment is provided of how writers have engaged with ideas not labelled a novelist or poet but a writer who may at one time or another choose to write in various forms The book provides an overview of major authors and genres by situating them within broader themes that have defined the way writers have produced literature in modern Japan as well as how those works have been read and understood by different readers in different time periods The Routledge Handbook of Modern Japanese Literature draws from an international array of established experts in the field as well as promising young researchers It represents a wide variety of critical approaches giving the study a broad range of perspectives This handbook will be of interest to students and scholars of Asian Studies Literature Sociology Critical Theory and History

Manusya ,2016 **Flock of Brown Birds** Ge Fei,2016-06-20 In this avant garde novella memory and time are subjective A writer named Ge Fei retreats to the beautiful solitude of the Waterside to finish his novel inspired by the Revelations of St John He perceives ominous and portentous signs in the natural landscape around him particularly in a flock of brown birds that flies periodically past his window The arrival of a mysterious woman named Qi magnifies his anxiety and sense of temporal disorientation calling into question his grasp on reality It is impossible to enter the deeper aspects of contemporary Chinese literature without also entering the world of Ge Fei Enrique Vila Matas **Braille Book Review**

,2016-11 **Talking Book Topics** ,2015 **Britannica Book of the Year** ,2015 **Frog** Mo Yan,2025-10-30 This book through depicting my aunt's life not only traces decades of rural reproductive history but also unflinchingly exposes the chaotic landscape of contemporary China's fertility issues Confronting socially sensitive issues has been my unwavering commitment since I began writing for the essence of literature lies in its focus on human concerns on human suffering and destiny Sensitive topics invariably reveal human nature in its most concentrated form Of course writing about such subjects demands courage and skill but above all it requires a writer's conscience *The Gale* Yan Mo,2024-08-06 This contemplative semiautobiographical picture book by Nobel Laureate Mo Yan with illustrations by Hans Christian Anderson

Award nominee Zhu Chengliang is perfect for readers of *A Different Pond* and *Watercress*. One morning so early that fog still sleeps on the surface of the river a young boy accompanies his yeye seven miles north to the grassy field behind their home to cut satintail to feed the livestock. But when a massive gale scatters the hay and a whole day's work important lessons will need to be learned about endurance impermanence and how to let go and weather the storm in a world that can often feel overwhelming and uncontrollable. In sparse lyrical prose interpreted by critically acclaimed author/illustrator Ying Hwa Hu *The Gale* is the first ever picture book by the Nobel Prize winning author of celebrated classics like *Red Sorghum* and *Life and Death Are Wearing Me Out*. It is adapted from the novella of the same name.
