What Congress & Gandhi Have done to the Untouchables Dr. Baba Saheb Ambedkar, 1946

Beyond Caste: Gandhi And Ambedkar Views On Untouchability Dr. Amulaya Pradhan, Gandhi and Ambedkar both strongly opposed untouchability but differed in their approaches to ending it Gandhi viewed untouchability as a moral evil within Hindu society and worked for reform through spiritual awakening and social harmony Ambedkar on the other hand saw it as a structural injustice rooted in the caste system and demanded legal rights political representation and systemic change Despite their differences both played crucial roles in challenging caste discrimination in India Gandhi and Ambedkar both opposed untouchability Gandhi believed untouchability was a moral sin and sought reform within Hindu society He emphasized social harmony and spiritual change Ambedkar viewed untouchability as a result of the caste system He demanded legal rights political representation and systemic reform Both contributed significantly to the fight against caste discrimination in India

Mr. Gandhi and the Emancipation of the Untouchables B.r. Ambedkar, 2017-08-23 In response to the invitation of the Chairman of the Indian section of the Institute of Pacific Relations I wrote in August last year a Paper on the Problem of the Untouchables of India for the Session of the Conference which was due to be held on December 1942 at Mont Trambant in Quebec in Canada The Paper is printed in the proceedings of the Conference Ever since it became known that I had written such a Paper the leaders of the Untouchables and Americans interested in their problem have been pressing me to issue it separately in the form of a book and make it available to the general public It was not possible to refuse the demand At the same time I could not without breach of etiquette publish the paper until the proceedings of the Conference were made public I am now told by the Secretary of the Pacific Relations Conference that the proceedings have been made public and there can be no objection to the publication of my Paper if I desired it This will explain why the Paper is published nearly 10 months after it was written

[Mahatma Gandhi on Untouchability](#) Anil Dutta Mishra, 2015-01-01

Untouchability is a sin and bolt on Indian Society Gandhi from early childhood relentlessly worked to remove untouchability He was doing something completely original for the removal of untouchability without creating any disharmony in the individual and society He looked at and understood untouchability from an angle no one was able to His vision and method was direct and this directness was and is revolutionary Gandhi was the first pioneering leader who made the removal of

untouchability a life mission Gandhi made untouchability a national issue His fight was unique and unparalleled What is remarkable about Gandhi is that instead of falsely glorifying the past he in fact infused the past with his very modern ideas of morality justice fearlessness fraternity absence of hierarchy and dignity of the individual values which he thought were essential for the revivification of our ancient but also decadent society Mahatma Gandhi's statement on Untouchability will be an eye opener for the general readers and critics to understand his crystal clear view on untouchability Mr. Gandhi & the Emancipation of the Untouchables, 2009 *Destiny of Untouchables in India* Shriram Nikam, 1998 Introspection on the part of Indian leadership in the 19th century lead to concentrated efforts to ameliorate the condition of the untouchables

Gandhi against Caste Nishikant Kolge, 2018-02-15 In 1909 while still in South Africa Gandhi publicly decried the caste system for its inequalities Shortly after his return to India though he spoke of the generally beneficial aspects of caste Gandhi's writings on caste reflect contradictory views and his critics accuse him of neglecting the unequal socio economic structure that relegated Dalits to the bottom of the caste hierarchy So did Gandhi endorse the fourfold division of the Indian society or was he truly against caste In this book Nishikant Kolge investigates the entire range of what Gandhi said or wrote about caste divisions over a period of more than three decades from his return to India in 1915 to his death in 1948 Interestingly Kolge also maps Gandhi's own statements that undermined his stance against the caste system These writings uncover the strategist Gandhi who understood that social transformation had to be a slow process for the conservative but powerful section of Hindus who were not yet ready for radical reforms Seven decades after it attained freedom from colonial powers caste continues to influence the socio political dynamics of India And Gandhi against caste the battle is not over yet

Mahatma Gandhi And Untouchability Surendra Lal Das, 2009 **Gandhi And Untouchability** Rakesh K. Sinha, R K, 2010-09-01 *The Untouchables: From Exclusion to Empowerment* The Untouchables: From Exclusion to Empowerment, 2026-02-28 The history of the untouchables or Dalits in India is one of systemic exclusion enduring marginalization and a gradual hard won journey toward empowerment Rooted in the hierarchical caste system untouchability constituted one of the most rigid forms of social stratification restricting access to social economic and religious domains for those born into communities labelled as impure Historically Dalits were relegated to menial occupations such as manual scavenging leatherwork and sanitation labour tasks considered polluting by dominant castes Beyond occupational segregation untouchables were denied access to temples common water sources schools and participation in civic life This structural exclusion created deep socio economic disparities that persisted across generations leaving a legacy of systemic disadvantage Understanding this history requires a careful examination of both the institutional mechanisms of exclusion and the socio political forces that eventually fostered empowerment The origins of untouchability can be traced to the

codification of social hierarchies in ancient India Texts such as the Manusmriti circa 200 BCE 200 CE outlined rigid caste based rules designating specific communities as outcastes and prescribing severe restrictions on social interactions occupations and religious participation Social ostracism was both a cultural and moral mechanism to enforce hierarchy legitimizing deprivation through religious sanction In rural economies Dalits were largely confined to occupations that sustained society yet were socially devalued ensuring their continued dependency and social marginalization Institutionalizing discrimination the caste system created enduring patterns of social exclusion that persisted through successive historical periods

Indian Critiques of Gandhi Harold Coward, 2012-02-01 Although Gandhi has been the subject of hundreds of books and an Oscar winning film there has been no sustained study of his engagement with major figures in the Indian Independence Movement who were often his critics from 1920 1948 This book fills that gap by examining the strengths and weaknesses of Gandhi's contribution to India as evidenced in the letters speeches and newspaper articles focused on the dialogue debate between Gandhi and Jawaharlal Nehru Rabindranath Tagore Sri Aurobindo Bhim Rao Ambedkar Annie Besant and C F Andrews The book also covers key groups within India that Gandhi sought to incorporate into his Independence Movement the Hindu Right Muslims Christians and Sikhs and analyzes Gandhi's ambiguous stance regarding the Hindi Urdu question and its impact on the Independence struggle

Insight into Gandhi's Non-Violent Non-co-operation Movement B.R. Dubey, 2020-12-09 The freedom struggles the world over aiming at liberty from the foreign yoke have been political in nature and the changes in social institutions if any were only incidental having not been originally designed or at best post independence script In sharp contrast stands the Non violent Non co operation movement launched by Mahatma Gandhi for Swaraj built on the foundation of social reforms Hindu-Muslim Unity removal of untouchability empowerment of women Swadeshi and adherence to non violence as a policy Phraseology of the Nonco operation movement in itself gives the philosophy purpose and content of the movement However without a serious study of the movement the vital point missed by the people in understanding the movement is that non co operation with the government British Raj presupposed co operation within ourselves the freedom fighters regardless of religion caste or creed This entailed the evolution of the Constructive Programme the programme of action for strengthening and sustaining the movement Attempt has been made in the study to understand how Gandhi succeeded in a short period in bringing much needed solidarity for the movement and Swaraj in the Indian society divided by religion and internal caste conflicts in the majority Hindu community Gandhi era means 1919 1948 because he launched the movement in 1919 which made Mr Gandhi Mahatma Gandhi and 1948 when he fell to an assailant's bullet and was called the Father of the Nation Way back in 1917 he prophetically said that Only if I die for India shall I know that I was fit to live Gandhi era means Gandhi and Gandhi alone in this period A comprehensive study of the entire period was not possible for an old man of 83 years in a short period Therefore the period chosen for this

study is 1919-1922 which is the most momentous period of the freedom struggle as also the initial period of the movement to ascertain probability of its success. For this purpose this objective driven book has been divided in two parts. While the second part deals with the movement in chronological order from the data sieved from the Collected Works of Mahatma Gandhi to show that the movement was not only the brainchild of Gandhi but its course and eventual suspension was also decided by him, the second part is more in the nature of analysis for the serious and general readers alike to appreciate objectively the greatness of the leader.

Views on Untouchability by Mahatma Gandhi Mahatma Gandhi, 1932 **Gandhi's Legacy and a New Human Civilization** B. Mohanan, 1999

In the era of globalization of the economy, polity and culture, the first and major requirement in this direction is to get ourselves liberated from the western mind set. For this, we have to rediscover Gandhi. This book is a positive step in this direction.
