Afterburn & Aftershock Sylvia Day, 2013-11-12. 1 New York Times bestselling author Sylvia Day. Never mix business with pleasure. Never bring politics into the bedroom. In a way I did both when I took Jackson Rutledge as a lover. I can't say I wasn't warned. Two years later he was back. Walking into a deal I'd worked hard to close. Under the tutelage of Lei Yeung, one of the sharpest businesswomen in New York, I had picked up a thing or two. Since Jax walked away, I wasn't the girl he once knew, but he hadn't changed. Unlike the last time we'd drifted into each other's lives, I knew exactly what I was dealing with, and how addictive his touch could be. The inner circle of glamour, sex, and privilege was Jax's playground, but this time I knew the rules of the game. In the cutthroat business world, one adage rules: all keep your enemies close and your ex-lovers closer.

The Sweetheart Fix Miranda Liasson, 2022-11-29. Juliet Montgomery absolutely loves her small town of Blossom Glen, Indiana, and everyone loves her. Except for the fact that she's a couples counselor who suffered a very public breakup that no one can forget. And now her boss asks her to take a step back, which is exactly when the town's good-looking and unusually gruff mayor offers her an unexpected job. Jack Monroe absolutely loves being the mayor of his small town. Except when he actually has to talk to people. Can't he just fix the community problems in peace? Like right now he's mediating the silliest dispute two neighbors could possibly have. When the town sweetheart steps up and solves everyone's problems in five minutes flat, Jack realizes what this town really needs is a therapist. Juliet is able to soothe anyone other than the surly mayor it seems. But there's a reason they say opposites attract: because all of their verbal sparring leads to some serious attraction. Only just like with fireworks, the view might appear beautiful, but she's already had one public explosion that's nearly ruined everything. How can she risk her heart again? Each book in the Blossom Glen series is STANDALONE.

The Hard Count Ginger Scott, 2016-07-15. Nico Medina's world is eleven miles away from mine. During the day, it's a place where doors are open, where homes are lived in, and neighbors love. But when the sun sets, it becomes a place where young boys are afraid, where eyes watch from idling cars that hide in the shadows, and wicked smoke flows from pipes. West End is the kind of place that people survive. It buries them one at a time, one way or another. And when Nico was a little boy, his mom always told him to run. I'm Reagan Prescott, coach's daughter, sister to the prodigal son, daughter in the perfect family. Life on top. Lies. My world is the ugly one. Private school politics and one of the

best high school football programs in the country can break even the toughest souls Our darkness plays out in whispers and rumors and money and status trump all I ve watched it kill my family slowly strangling us for years In our twisted world a boy from West End is the only shining light Quarterback Hero Heart Good I hated him before I needed him I fell for him fast I loved him when it was almost too late When two ugly worlds collide even the strongest fall But my world it hasn t met the boy from West End *Conversations on Me Before You: a Novel by Jojo Moyes* Daily Books,2016-09-03
