The New York Times Book Review The New York Times, 2021-11-02. A delightful Vanity Fair collection from the longest running most influential book review in America, featuring its best, funniest, strangest, and most memorable coverage over the past 125 years. Since its first issue on October 10, 1896, The New York Times Book Review has brought the world of ideas to the reading public. It is the publication where authors have been made and where readers first encountered the classics that have enriched their lives. Now the editors have curated the Book Review's dynamic 125-year history, which is essentially the story of modern American letters. Brimming with remarkable reportage and photography, this beautiful book collects interesting reviews never before heard, anecdotes about famous writers, and spicy letter exchanges. Here are the first takes on novels we now consider masterpieces, including a long forgotten pan of Anne of Green Gables and a rave of Mrs Dalloway, along with reviews and essays by Langston Hughes, Eudora Welty, James Baldwin, Nora Ephron, and more. With

scores of stunning vintage photographs many of them sourced from the Times s own archive readers will discover how literary tastes have shifted through the years and how the Book Review s coverage has shaped so much of what we read today
