Leaving aside such shortcomings in the ritual actions there are also several accident black spots where the wording of the ritual is liable regularly to be rendered inaccurately

Blunden, 2023-01-27 An Exploration of the Traditional Witchcraft Coven its Organization and Rituals including Initiations Rites of Passage Magical and Social practices The truth is Old Gerald B Gardner had little interest in how the Traditional Witchcraft Coven had been organized and structured So apart from an example of how it should not be done he passed on little information about how it was meant to be organized That knowledge of how best to organize and structure a modern Coven has had to be reclaimed from the old records and by trial and error So too the social Rites of Passage those of birth marriage and death that were all long since appropriated by the religious authorities have likewise needed to be restored As too the traditional forms of Coven Magic and Healings whilst still keeping Witchcraft ever the religion of Dance Fun and Mirth After all who said that religion is not to be enjoyed A Witches Canon Part 1 provides a fact based referenced guide for those wishing to further explore the Religion and Celebratory Rituals of Traditional Wicca A Witches Canon Part 2 has been written to provide a practical referenced guide to the social aspects of Traditional Wicca of Coven Organization Initiations Rites and Rituals A Witches Canon Part 3 is a fact based referenced guide to the practice of Magical Witchcraft both nice and naughty If it isn't fun then it ain't worth doing
