The Search for Love in E.M. Forster's Maurice and the Longest Journey Edward Preston,1974

Homosexuality and Liberty in "Maurice" by E.M. Forster Olivier Ah-Kow,2002

Queer Disappearance in Modern and Contemporary Fiction Benjamin Bateman,2023-01-31 Queer Disappearance in Modern and Contemporary Fiction breaks with appearance based models of queer performativity and argues for the experiential richness and political potentials of recessive tendencies in twentieth and twenty first century queer literary production The study theorizes a perish performative that allows for agency in practices of abeyance and it discovers within queerness s ample archive of vanishing acts an environmental ethos antithetical to inflationary versions of the human Tying modernist classics by E M Forster and Willa Cather to Andrew Holleran s gay classic Dancer from the Dance and then moving to the contemporary ecogothic of Lydia Millet s How the Dead

Dream and the trans decadence of Shola von Reinhold's *Lote* the book refuses the common wisdom that queerness becomes louder and prouder over time delineating instead a minimalist and daydreaming subjectivity wherein queerness finds escape respite and varied opportunities for imaginative reverie This precarious subjectivity necessitated but not defined by oppression and obstacle rewards and restores the queer self and it also contests the logics of development acquisition and productivity that wreak havoc on the planet and entrench social disparities of race class and ability *Queer Disappearance in Modern and Contemporary Fiction* supplies multiple accounts of the collective and personal pleasures possibilities and perils to be found in pulling away going missing and taking a break

Unmaking Love Ashley T. Shelden, 2017-01-10 The contemporary novel does more than revise our conception of love it explodes it queers it and makes it unrecognizable Rather than providing union connection and completion love in contemporary fiction destroys the possibility of unity harbors negativity and foregrounds difference Comparing contemporary and modernist depictions of love to delineate critical continuities and innovations *Unmaking Love* locates queerness in the novelistic strategies of Ian McEwan Zadie Smith Hanif Kureishi Alan Hollinghurst and Hari Kunzru In their work queer love becomes more than shorthand for sexual identity It comes to embody thwarted expectations disarticulated organization and unnerving multiplicity In queer love social forms are deformed affective bonds do not bind and social structures threaten to come undone *Unmaking Love* draws on psychoanalysis and gender and sexuality studies to read love's role in contemporary literature and its relation to queer negativity
